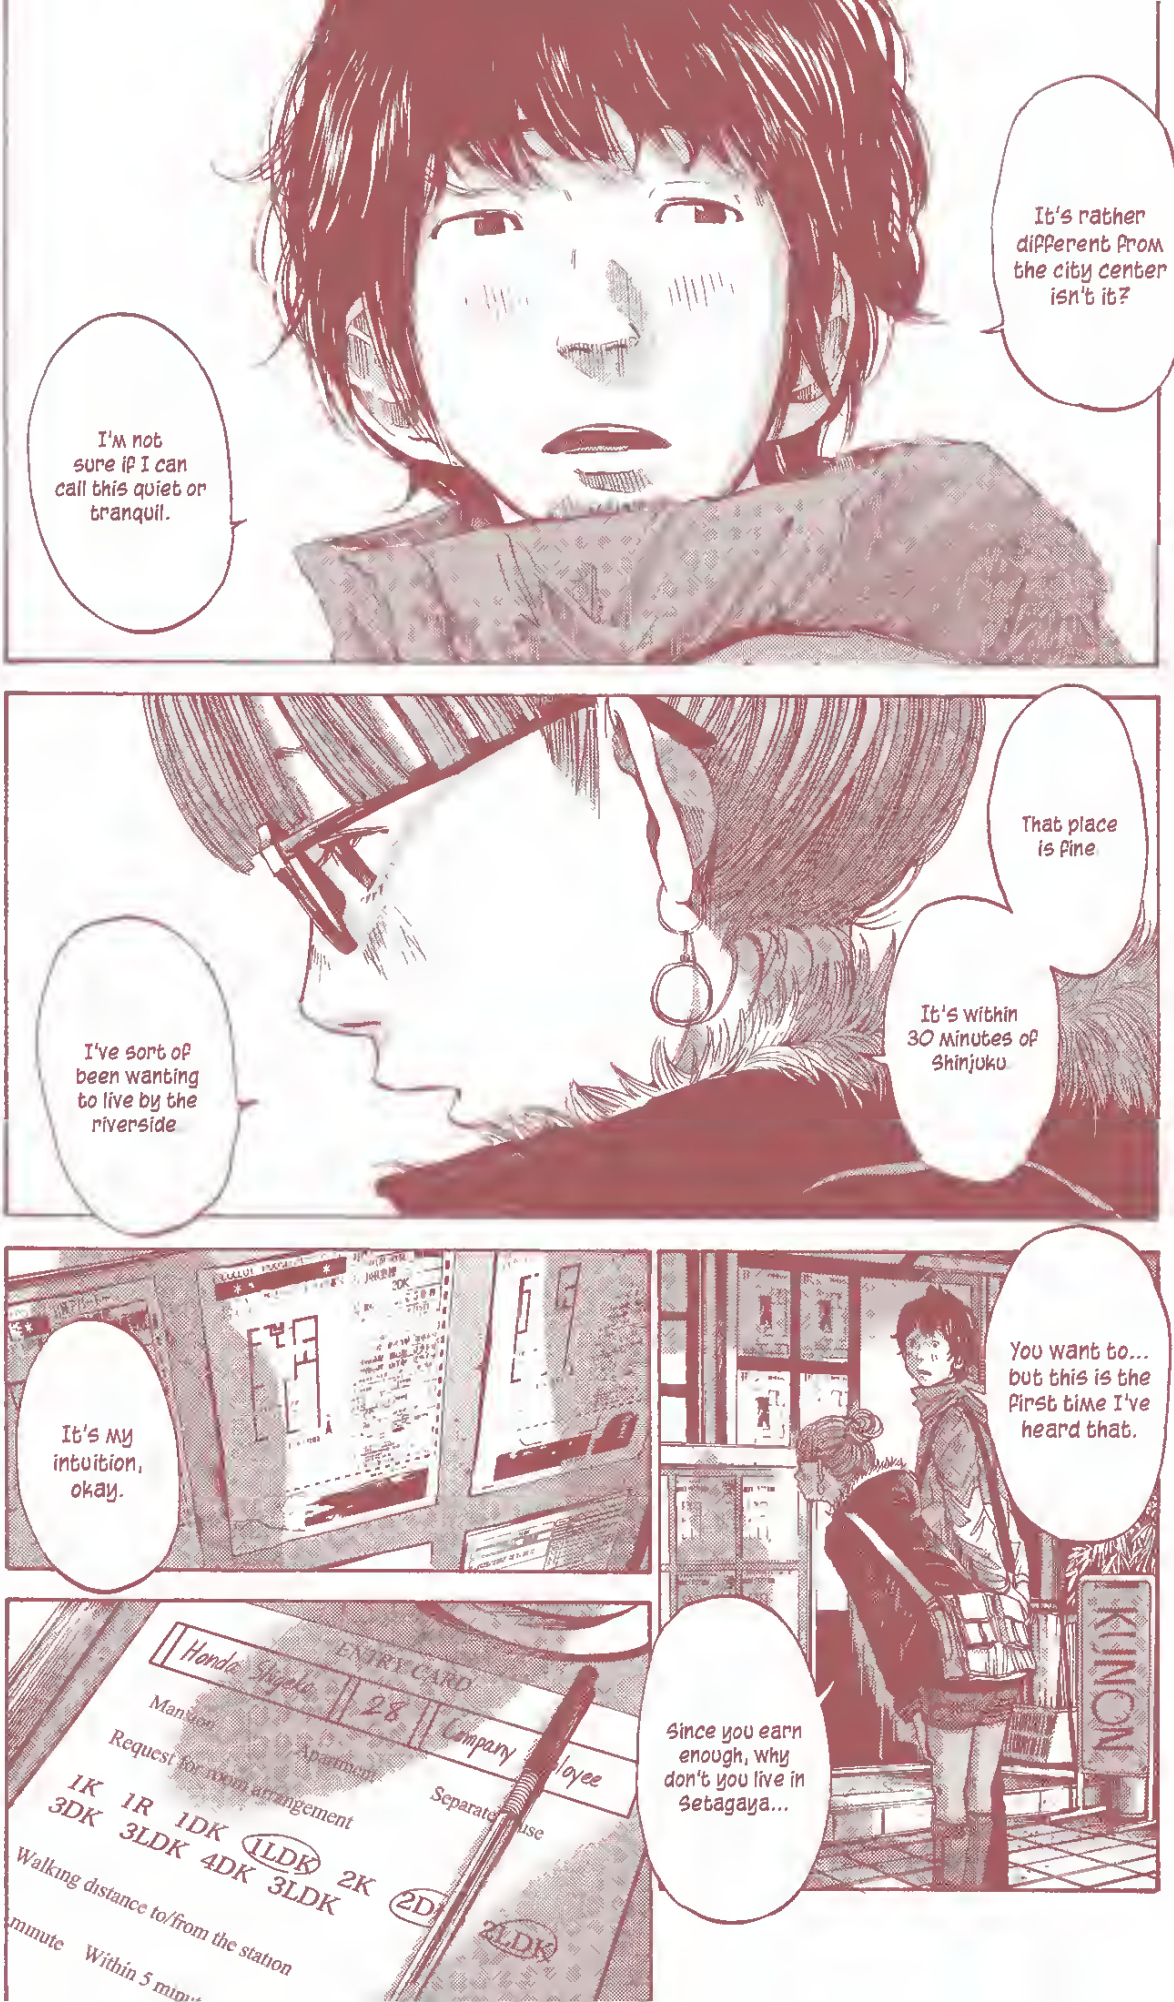
小田急



It's rather different from the city center isn't it?
I'm not sure if I can call this quiet or tranquil.
That place is fine.
It's within 30 minutes of Shinjuku.
I've sort of been wanting to live by the riverside.
It's my intuition, okay.
You want to... but this is the first time I've heard that.
Since you earn enough, why don't you live in Setagaya...
IKINON
ENTRY CARD
Company
Request for room arrangement
Apartment
1K 1R 1DK (1LDK) 2K
3DK 3LDK 4DK 3LDK
Walking distance to/from the station

This area didn't have many mansions to begin with.
And since the moving season's ending, it's more packed.
This room is also a wooden one and took years to build, many years ago.
But since it hasn't beenin use for a while, I think you can discuss the rent with the landlord.

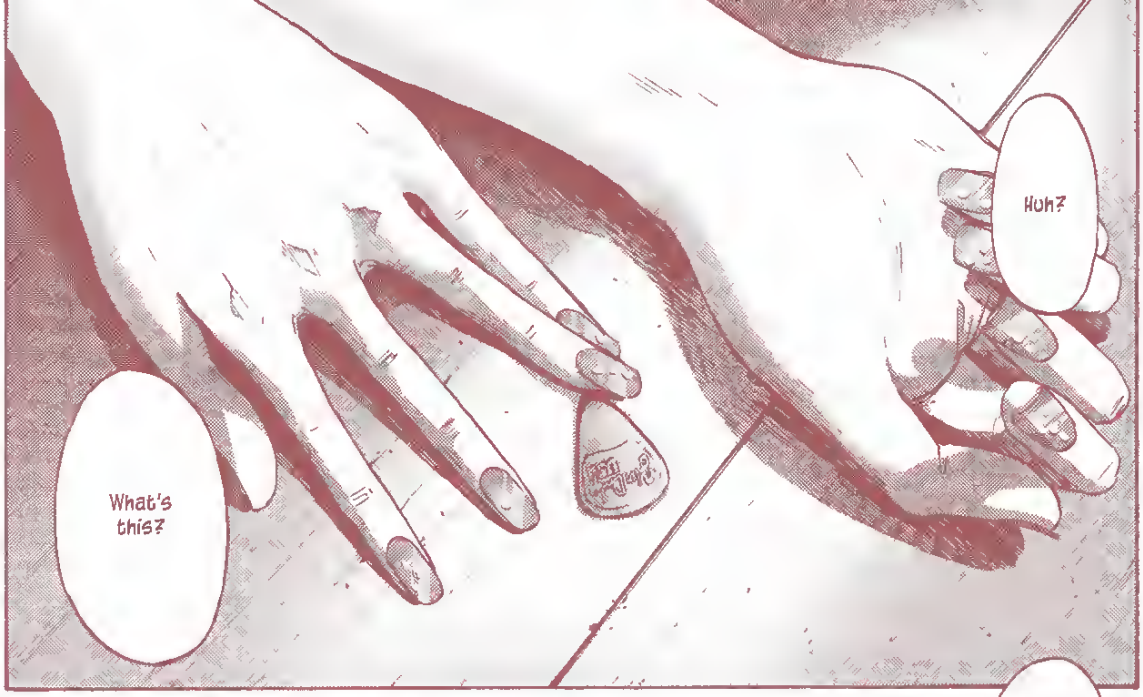
By the way, will your boyfriend live here as well?

Ah, that's right!
When spring comes, you can see the Sakura from the verandah.

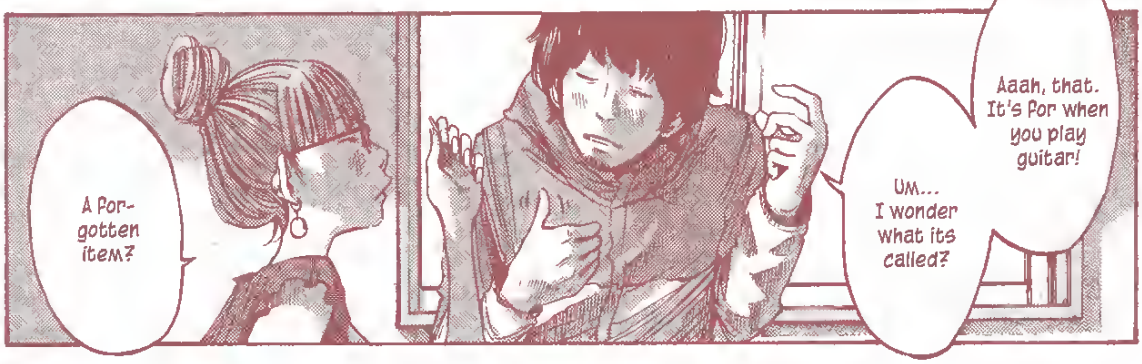
Ah, um... well...

Well...
This is too much space for one person
Ah, so you're going to live alone?
If I recall, the previous tenant was also a female company employee...
Ah, excuse me
I have to answer this phone call.
Ah, please.
It'll be really cold during winter.
But...
I've decided to live here.
Aren't you fussy about being cold?
That's quite a hasty decision...

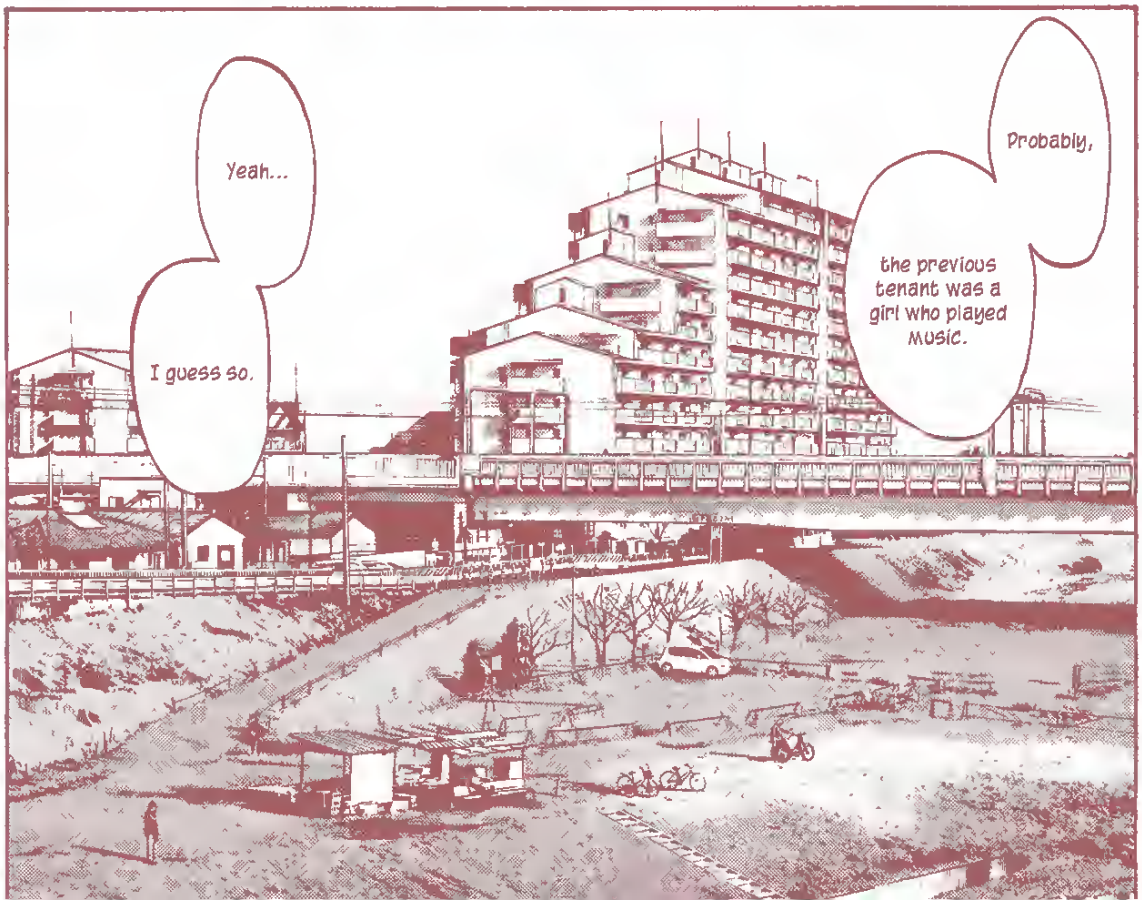
What are you doing?
Ha ha...
Living in this room from now on
I'm imagining.



Huh?
What's this?



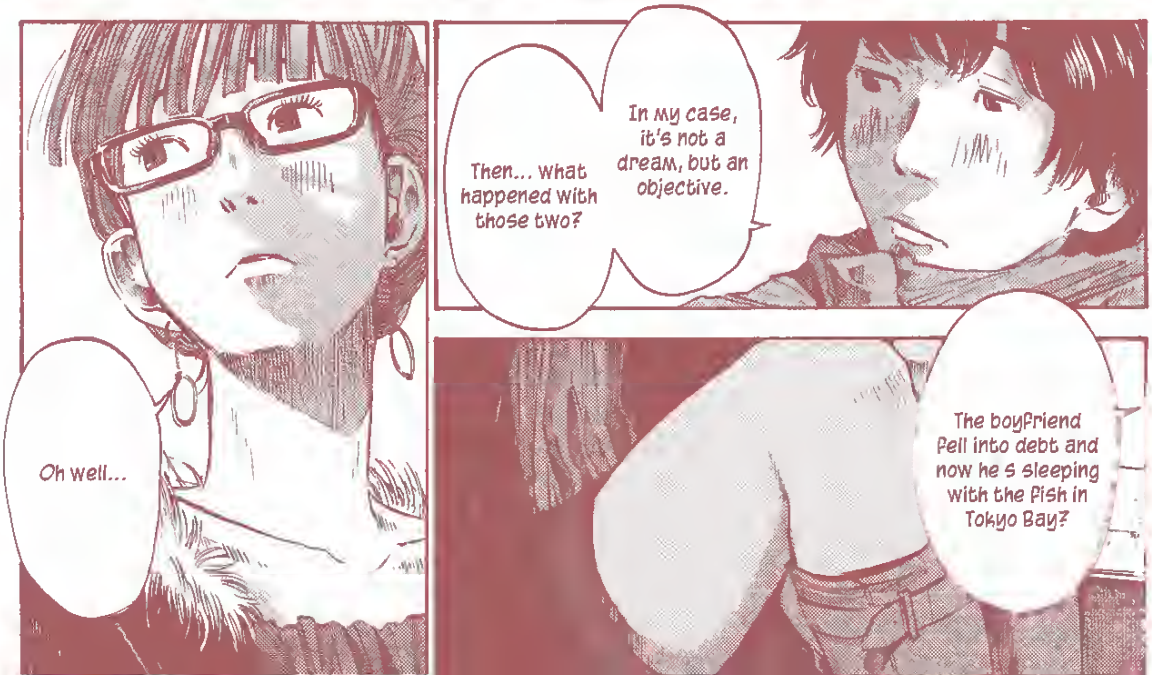
A For-gotten item?
UM... I wonder what its called?
Aaah, that. It's for when you play guitar!



Yeah...
I guess so.
Probably,
the previous tenant was a girl who played music.

After all, it was a catastrophe. The heartbroken girlfriend left the room.
(Isn't it) like that?
One day... the hopeless boyfriend, who's in a band, stumbled, and started staying at her place.
However, feeling that he's being a burden to his working girlfriend's small shoulders, he gave some indefinite reasons to break up.

What the... isn't that story lacking imagination?
I thought you used to dream about being an author!
Graduated from a good university, with an offer in hand, all your dreams have been granted, you wouldn't know (how I feel)!



Then... what happened with those two?
In my case, it's not a dream, but an objective.
Oh well...
The boyfriend fell into debt and now he's sleeping with the fish in Tokyo Bay?

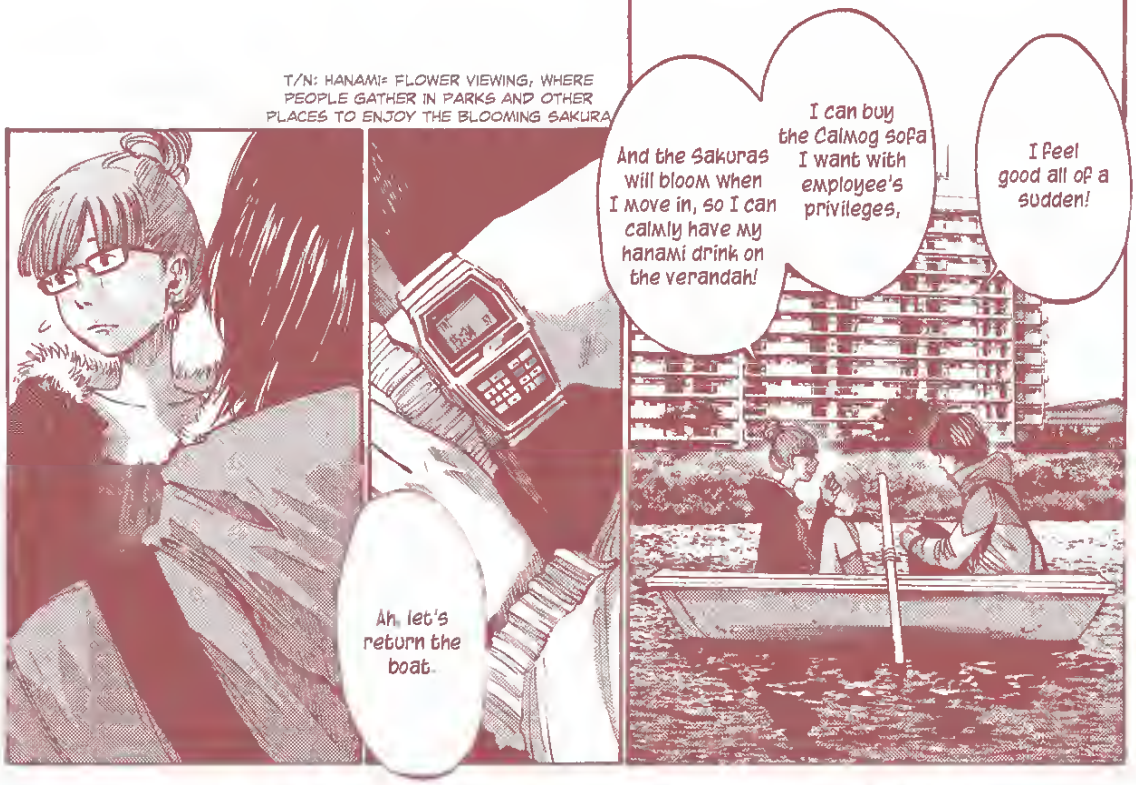
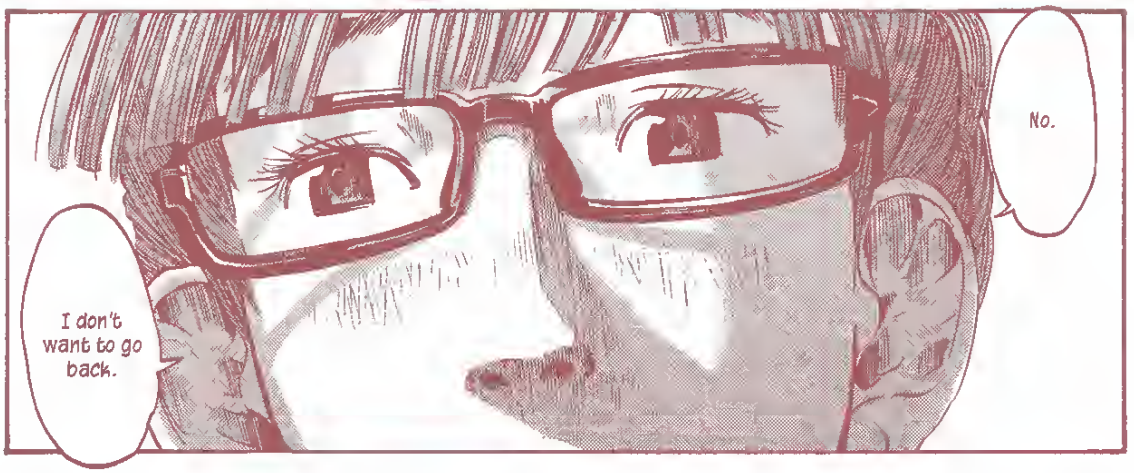
Surely somewhere, even now,
each of them is living a surprisingly normal life.
Because they can't stay in such grim circumstances forever.

I see.

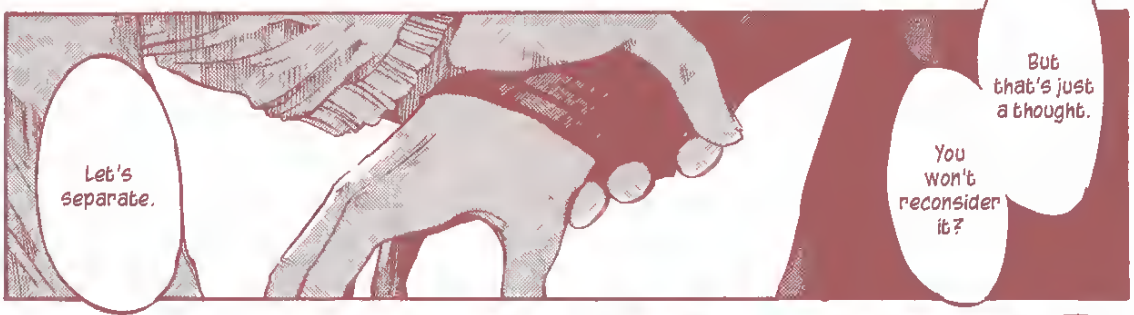
T/N: HANAMI= FLOWER VIEWING, WHERE PEOPLE GATHER IN PARKS AND OTHER PLACES TO ENJOY THE BLOOMING SAKURA



I feel good all of a sudden!
I can buy the Calmog sofa I want with employee's privileges,
And the Sakuras will bloom when I move in, so I can calmly have my hanami drink on the verandah!
Ah, let's return the boat.



Huh?

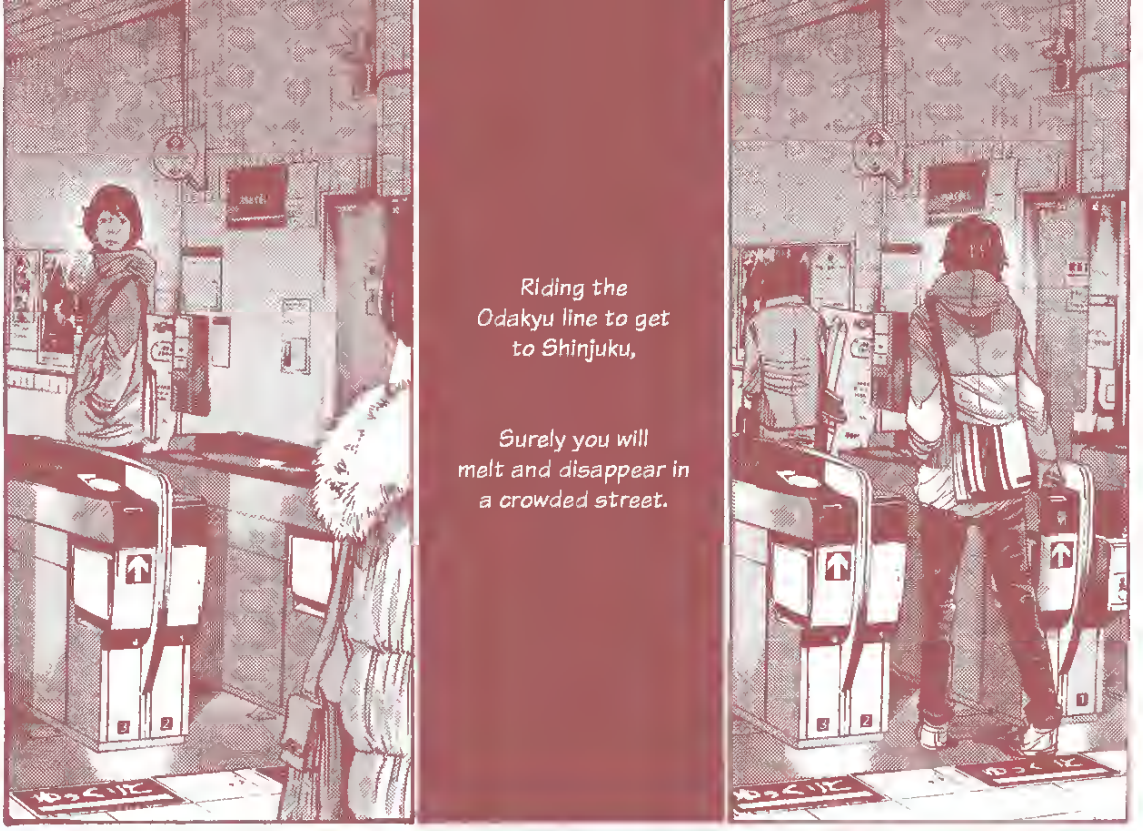


Let's separate.
But that's just a thought.
You won't reconsider it?

I see

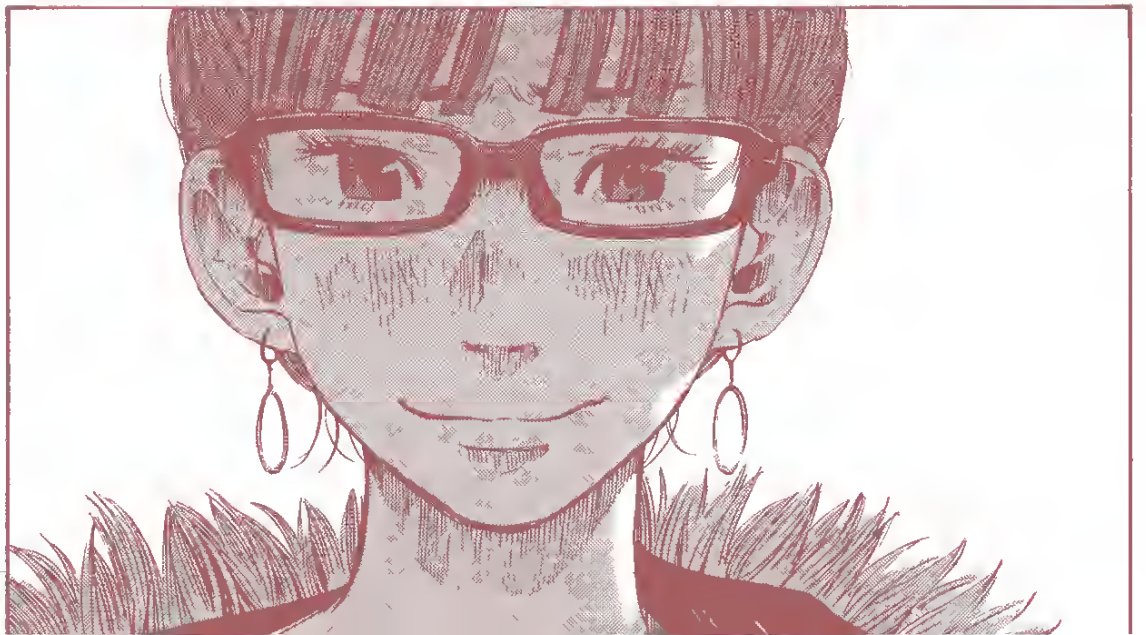
Sure
Thank you so much, especially for being with me for today
Then mail me whenever you want

We've had an awful discussion, haven't we made the decision already?
Yeah...



Riding the Odakyu line to get to Shinjuku,
Surely you will melt and disappear in a crowded street.

Say hi to your new boyfriend for me!

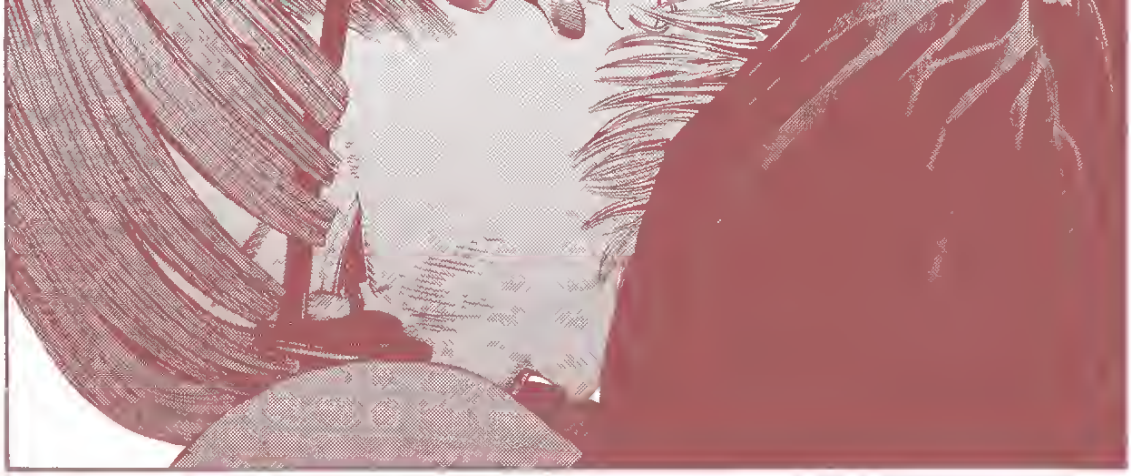


That's right, even at the end,

you know what to say, because
you're a gentle boyfriend.

And thus, even at the end,

I'm still the selfish and mean girlfriend.



I'm in this corner of Tokyo,

in an empty 2DK room,

all by myself,

trying to get warm for the day.

T/N: DK= DINING AND KITCHEN

Since I can't say the words,

sometimes I tell strange lies.

At those times, If only I could
express myself through music.

Hurry, hurry up.

Spring will come,

back to me.

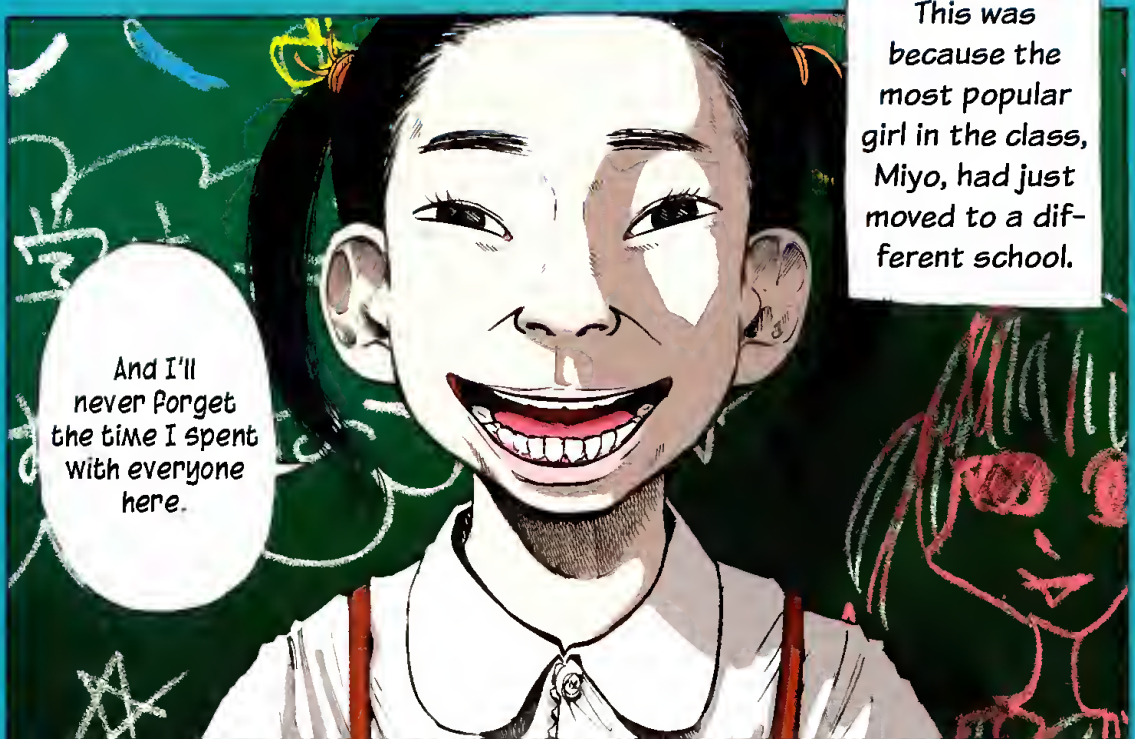
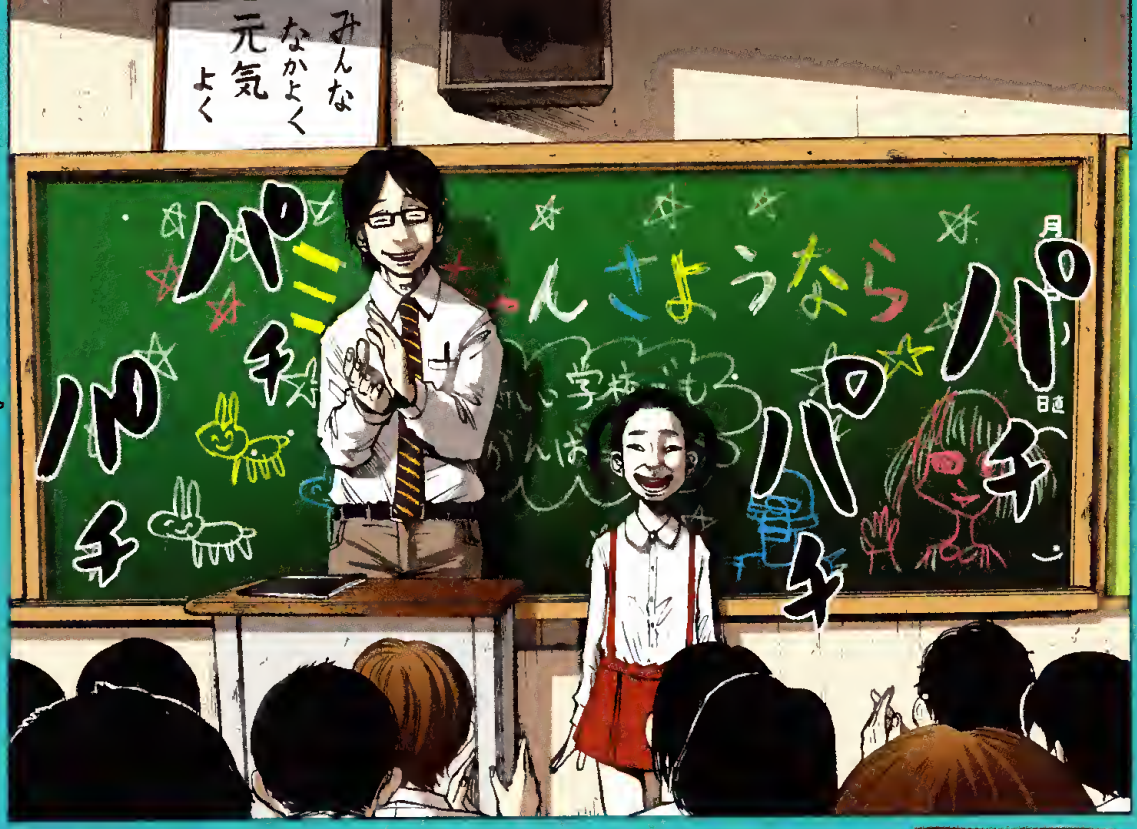
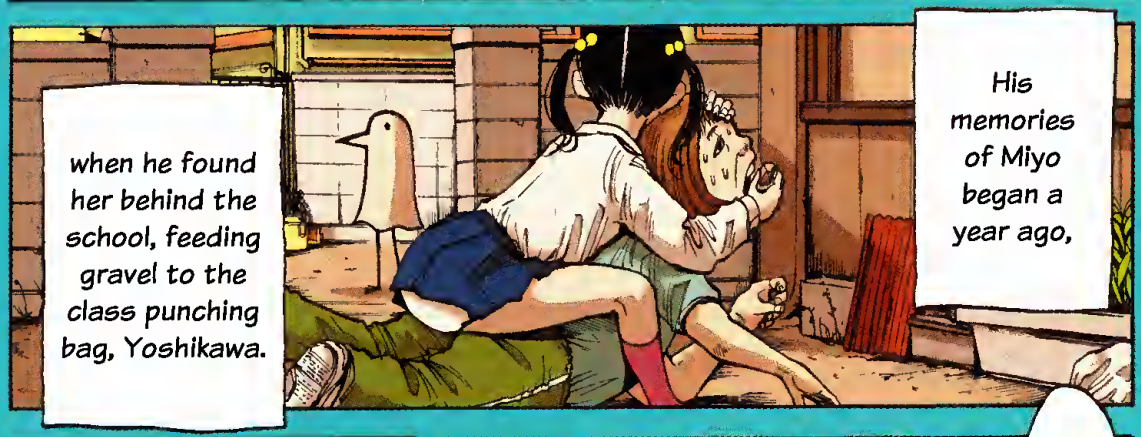
Punpun was just about too depressed to go to school that day.



This was because the most popular girl in the class, Miyo, had just moved to a different school.
And I'll never forget the time I spent with everyone here.



ALL SFX: CLAP



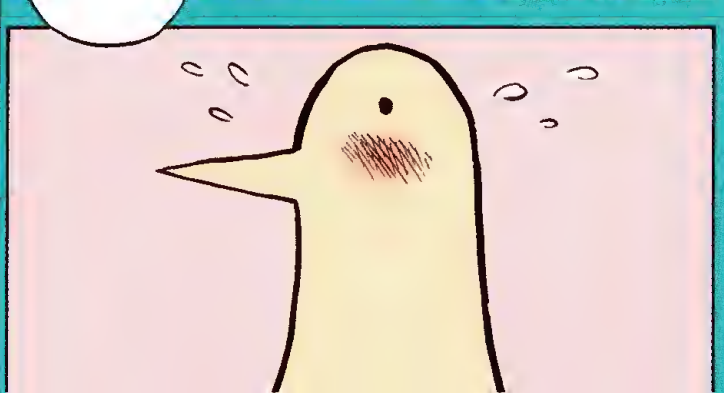
His memories of Miyo began a year ago,

when he found her behind the school, feeding gravel to the class punching bag, Yoshikawa.

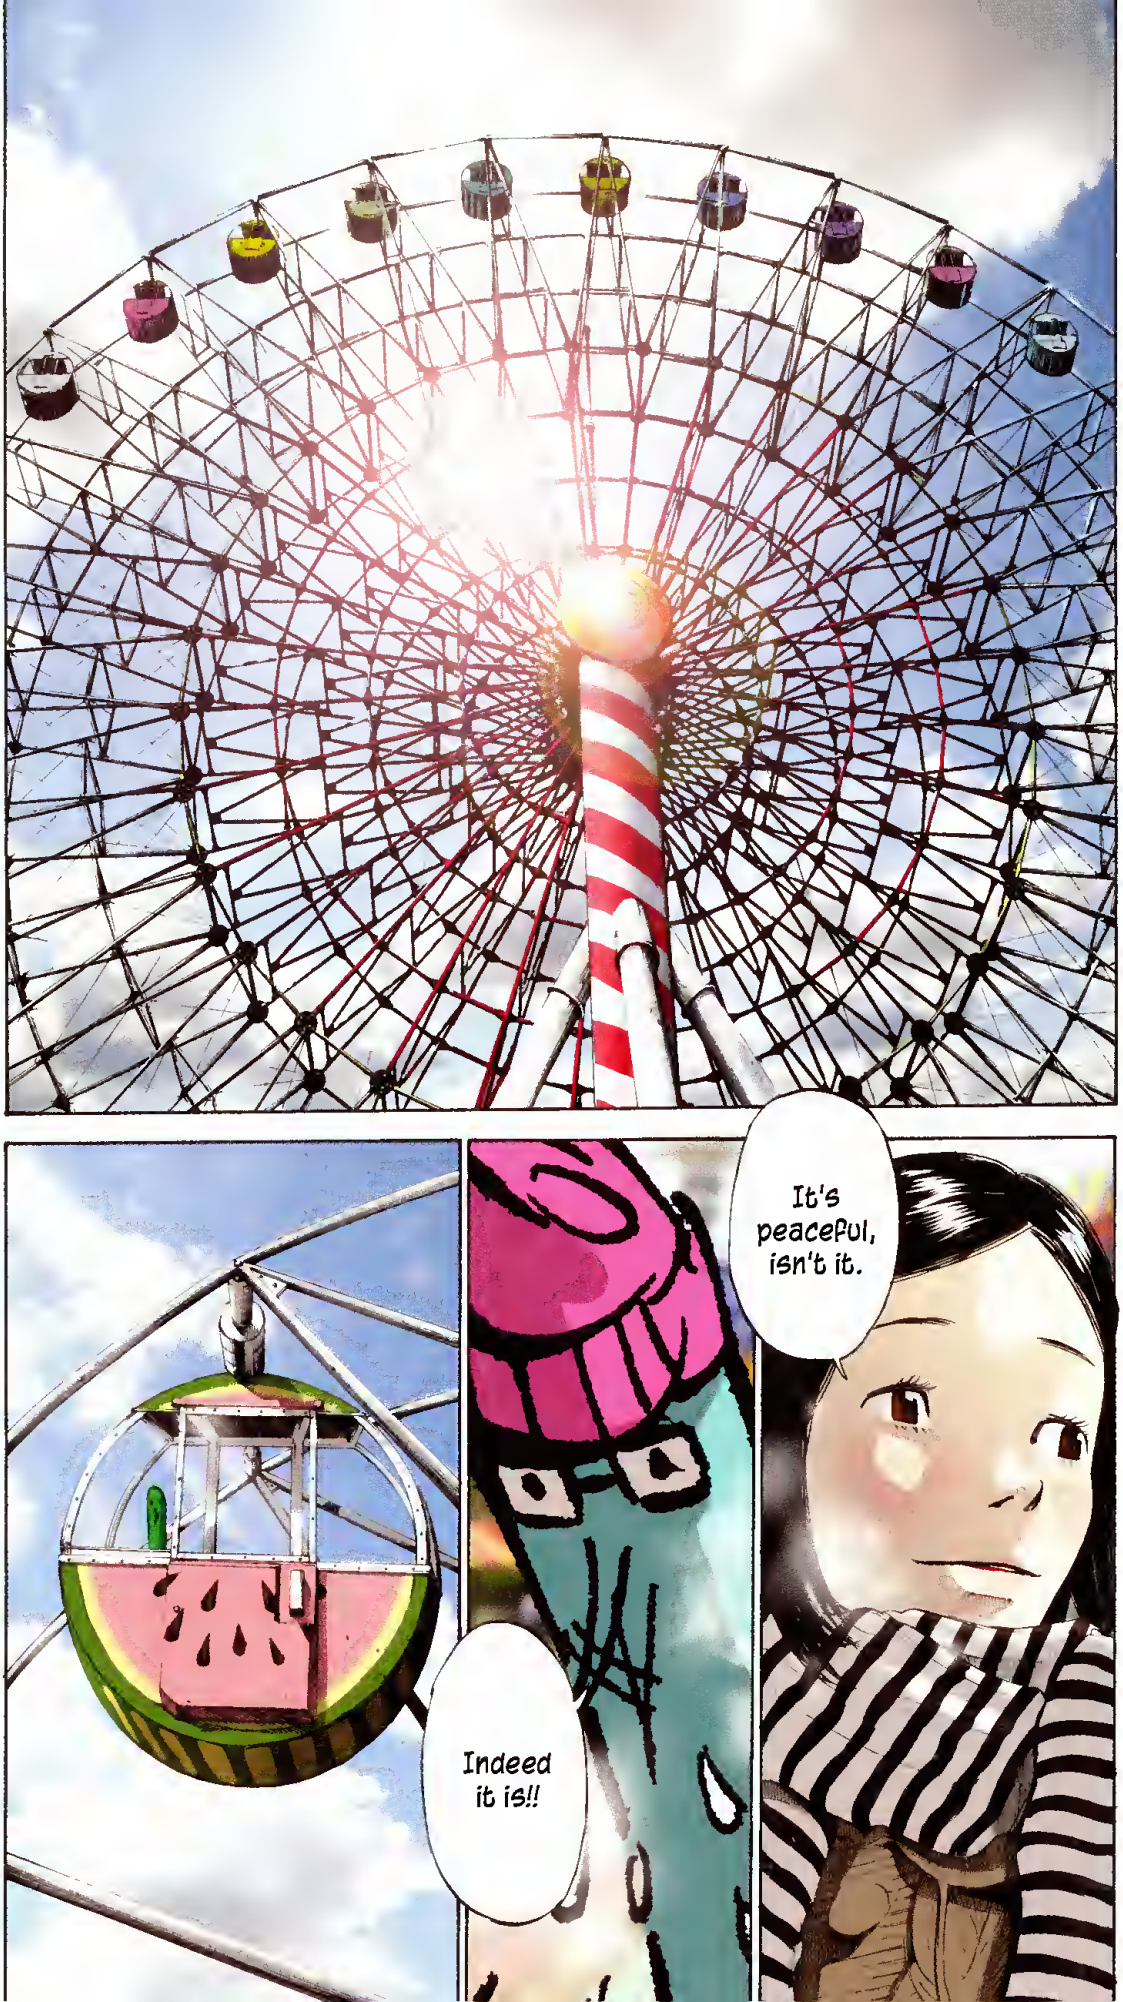
It was the first and only time either of them had spoken a word to each other, but Punpun decided that he liked Miyo.

……

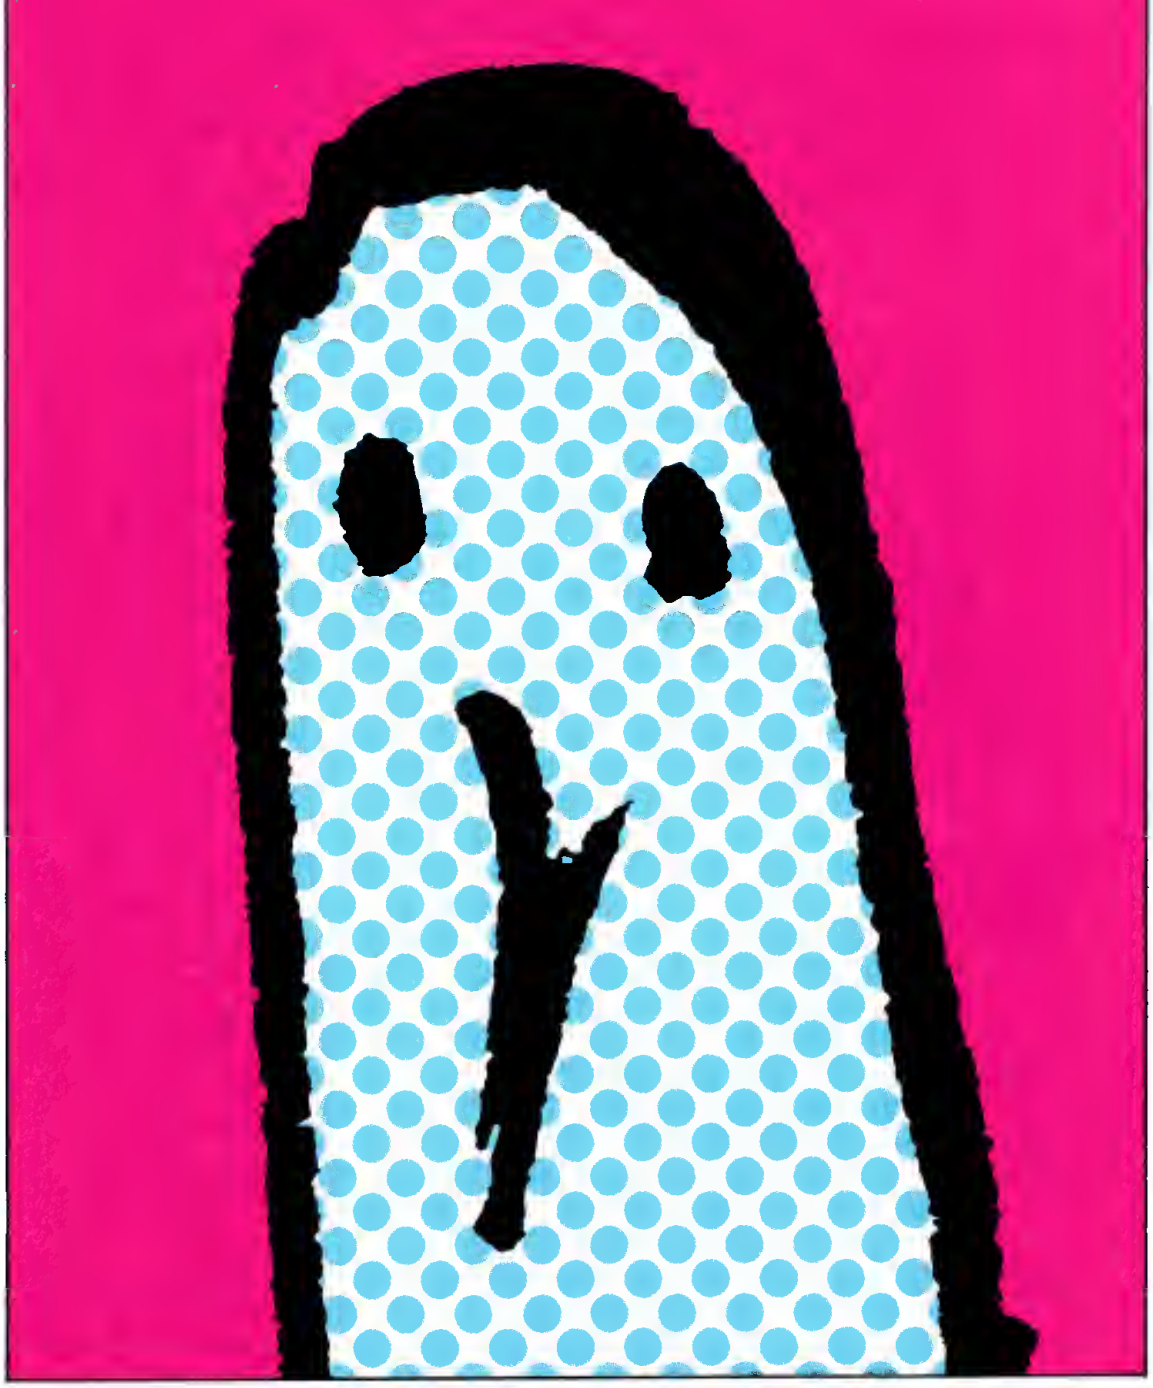
This is just our little secret, oka!?



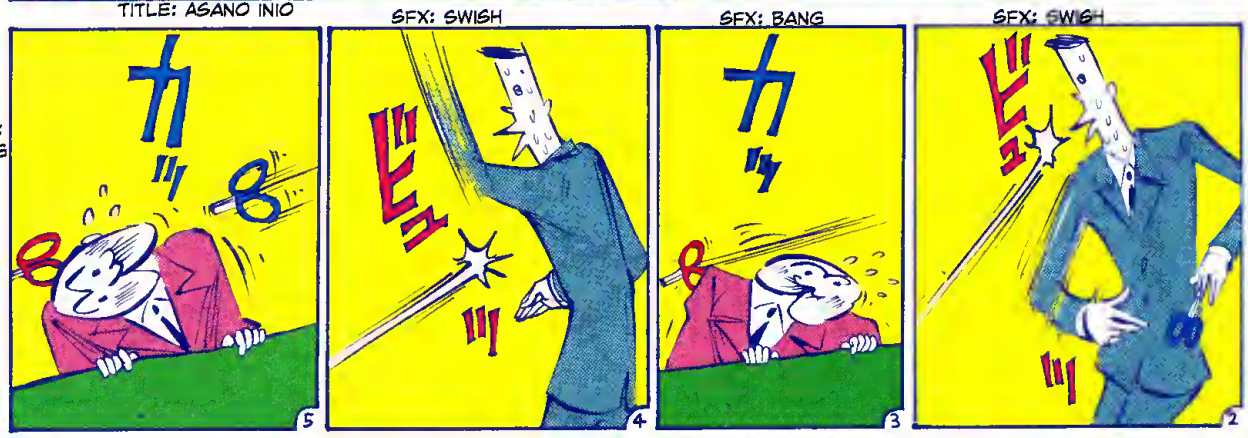
Who knew how boring a Monday could be without Miyo?!
Hey, you guys, you guys. Do you know what sex is?
Whut?! Whut's sex?!
Shhh! Keep it down!
Okay, know what Forget it, I'M not telling you!
Do you know, Punpun?
See...
It's when a boy puts his thing in a girl's...
...It's not that scary.

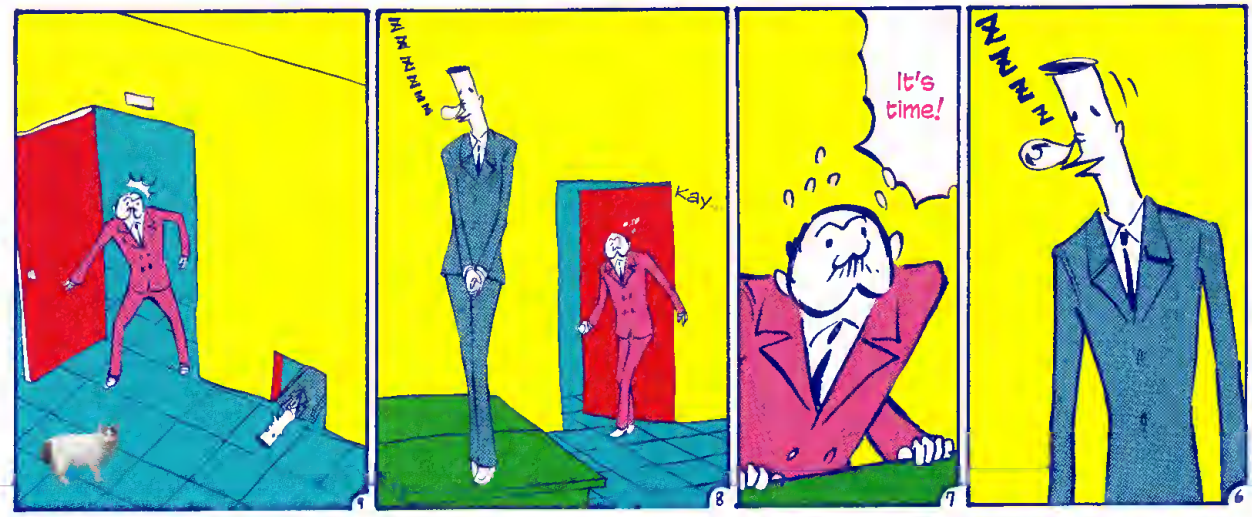


It's peaceful, isn't it.
Indeed it is!!



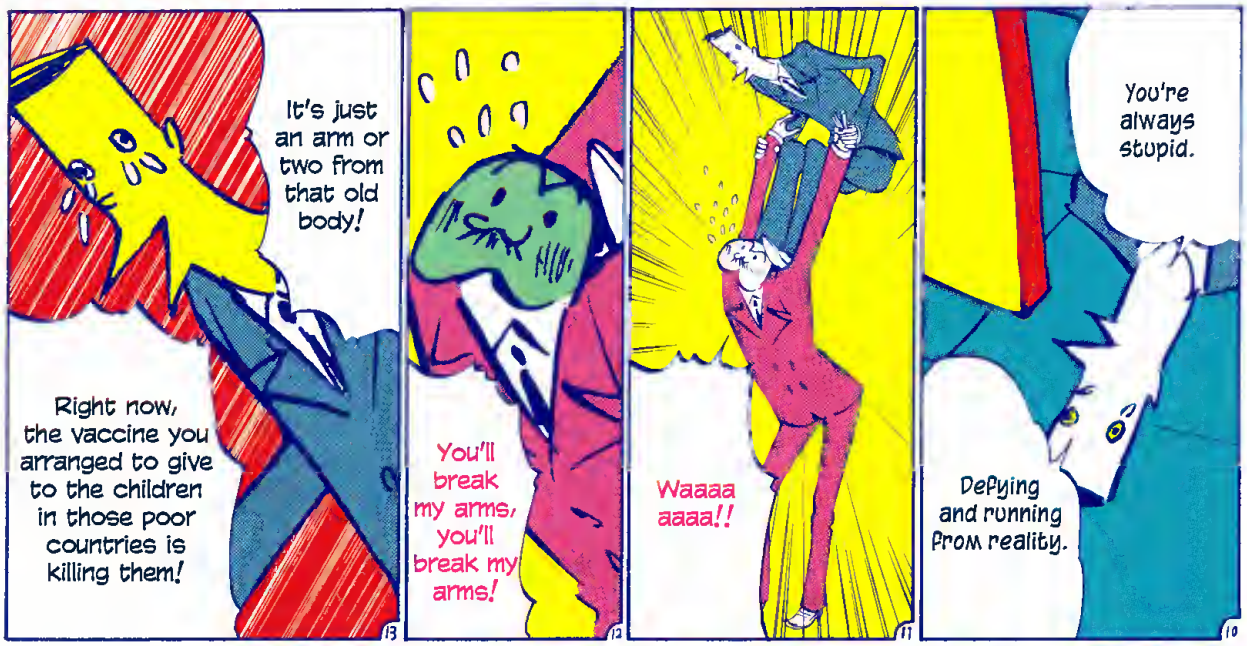
And Punpun...





企業戦士の窓

出世魚の代表格といえば、ボラ。諸説あるものの、代表的な呼び名は「オボコ→スバシリ→イナ→ボラ→トド」という順番で変化する。ちなみに、「おぼこちゃん」「とどのつまり」「いなせなアイツ」的な言葉はこちらに由来するんです。



企業戦士の巻 会社勤めしていないと（してても）誰が一番偉いのかわからない様々な役職。一般的には偉い順に「会長＞社長＞専務＞常務＞監査役＞執行役員＞本部長＞部長＞次長＞課長＞係長＞主任」らしいです。ふーん。

企業戦士の窓

変わった社名の由来で有名な「サンリオ」＝「山梨王」は実は間違いで、スペイン語の「聖なる河（San Rio）」が正しいとか。「サンカリア」は「国敗れて山河あり」から来てるとか、「クリコ」は「クリコーゲン」から来てるとか、起業する上で参考になりますね。

My chocolate marble rolled into the little gap in the wall, and turned yellow, so now I can't get my head out!

Now that I think about it, I should have made a "head shrinker" machine.
I'd really like something like that!!

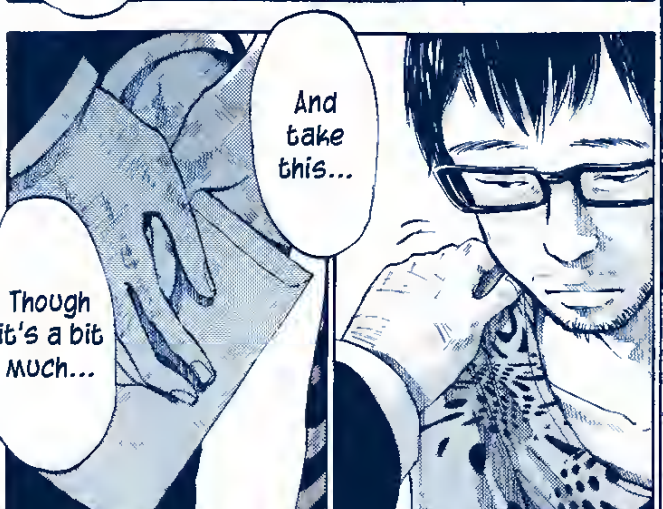
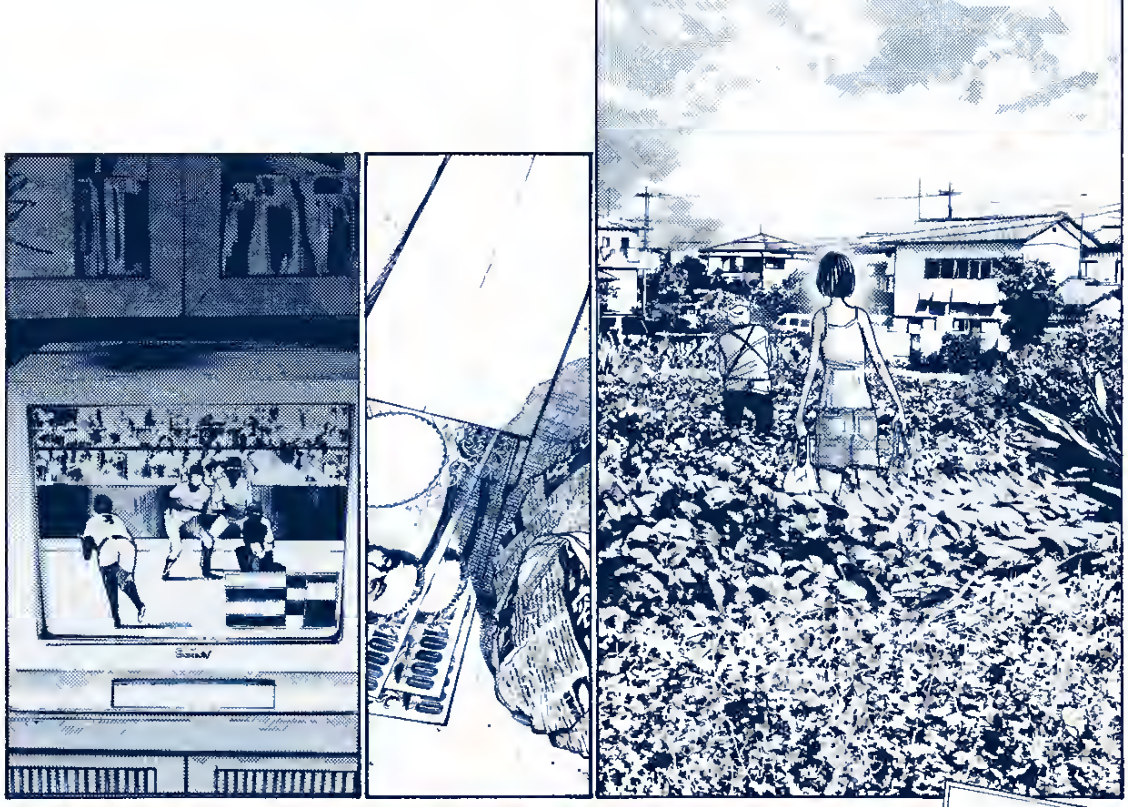
Since I'm your uncle,
keep this just in case you need any help.
Don't hesitate to call.

No, don't hang your head so low.
To be really honest, we rely on your depression.

Thank you...
And I'm sorry for everything.



And take this...
Though it's a bit much...



It's the bottom of the first, and N Academy is up by 1.
This strong start is a step towards their first championship win!

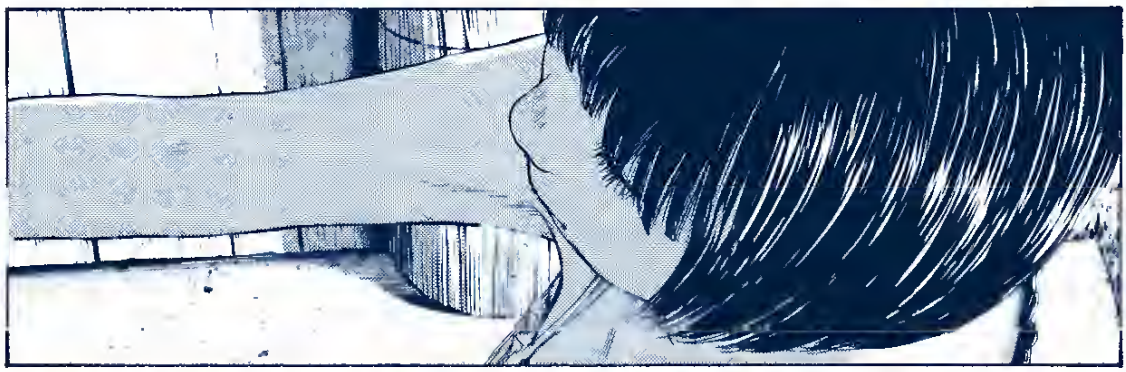
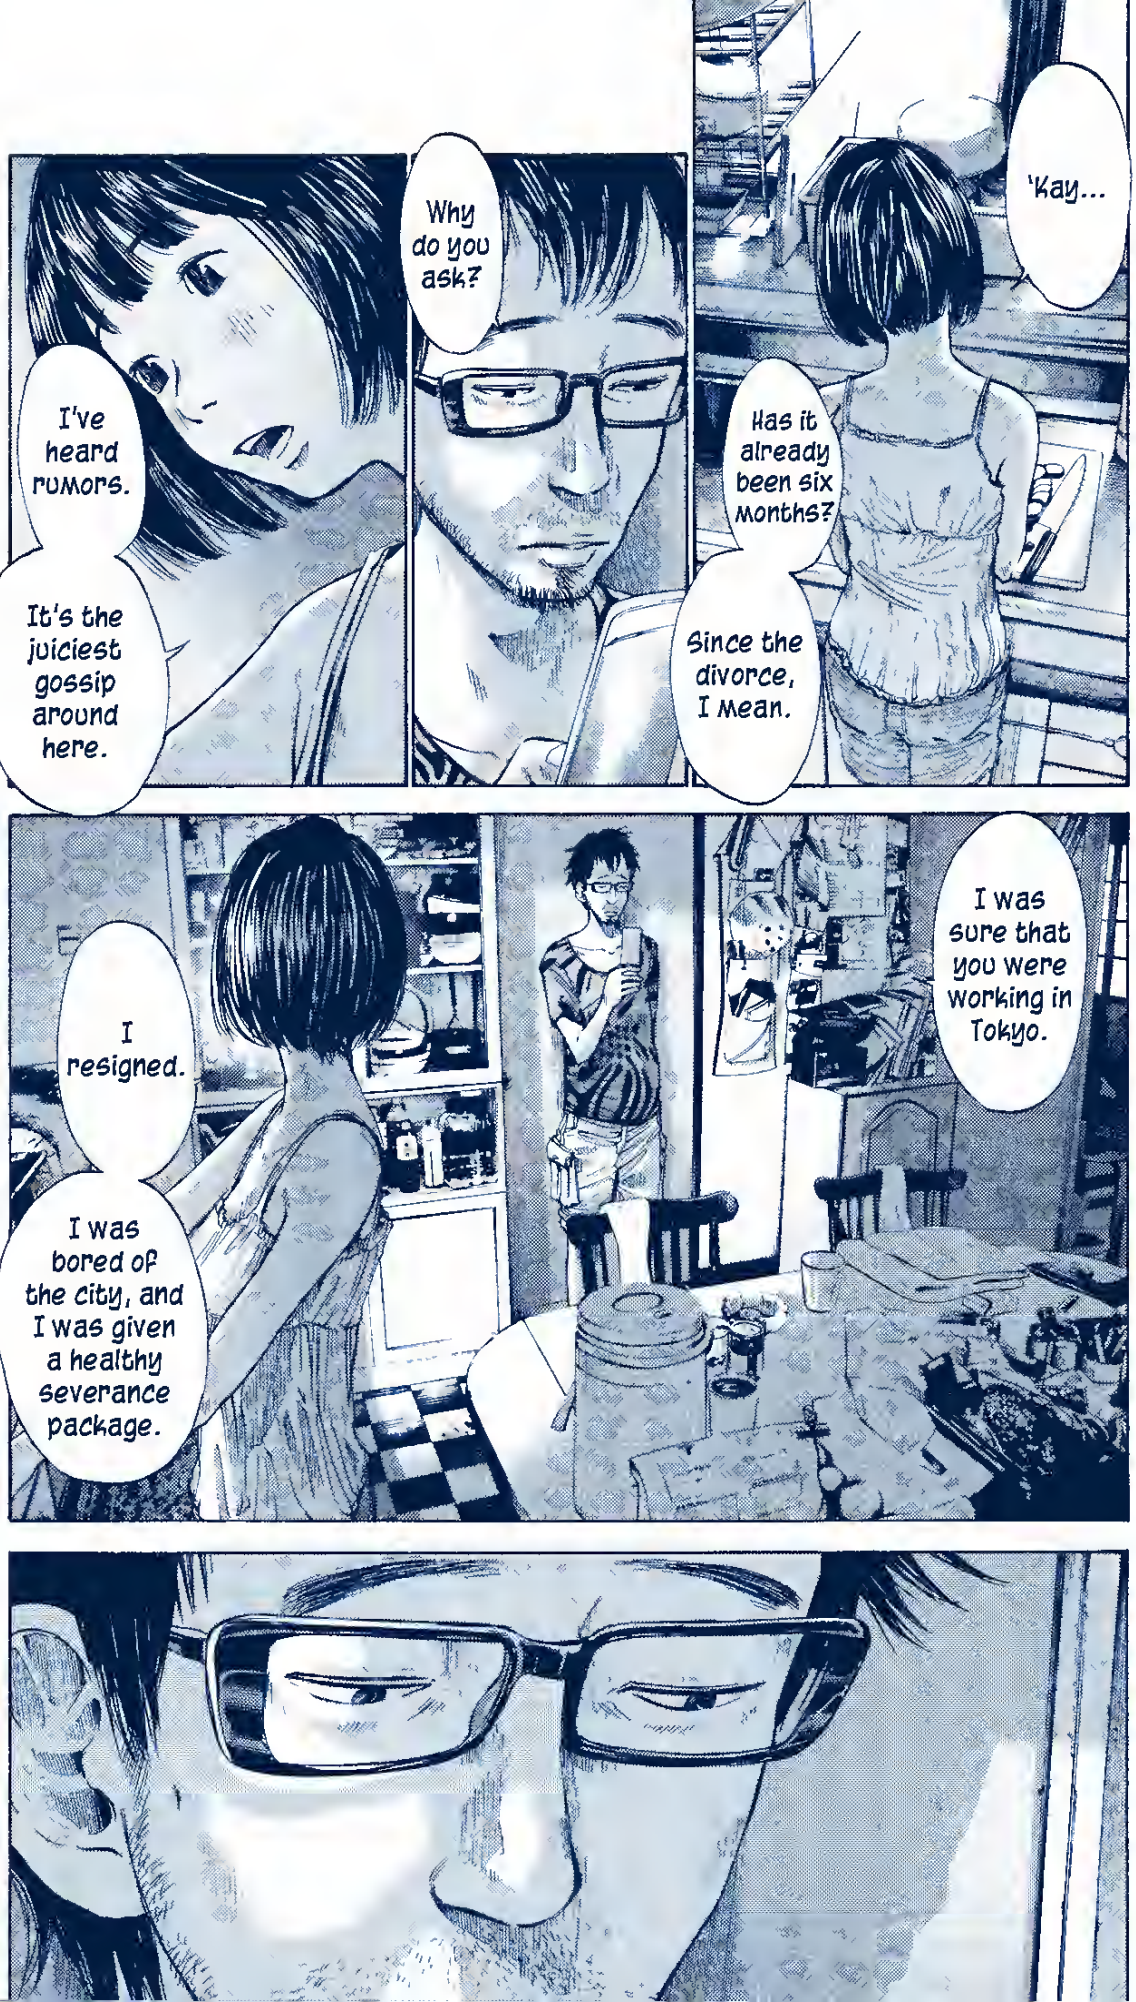
Rude

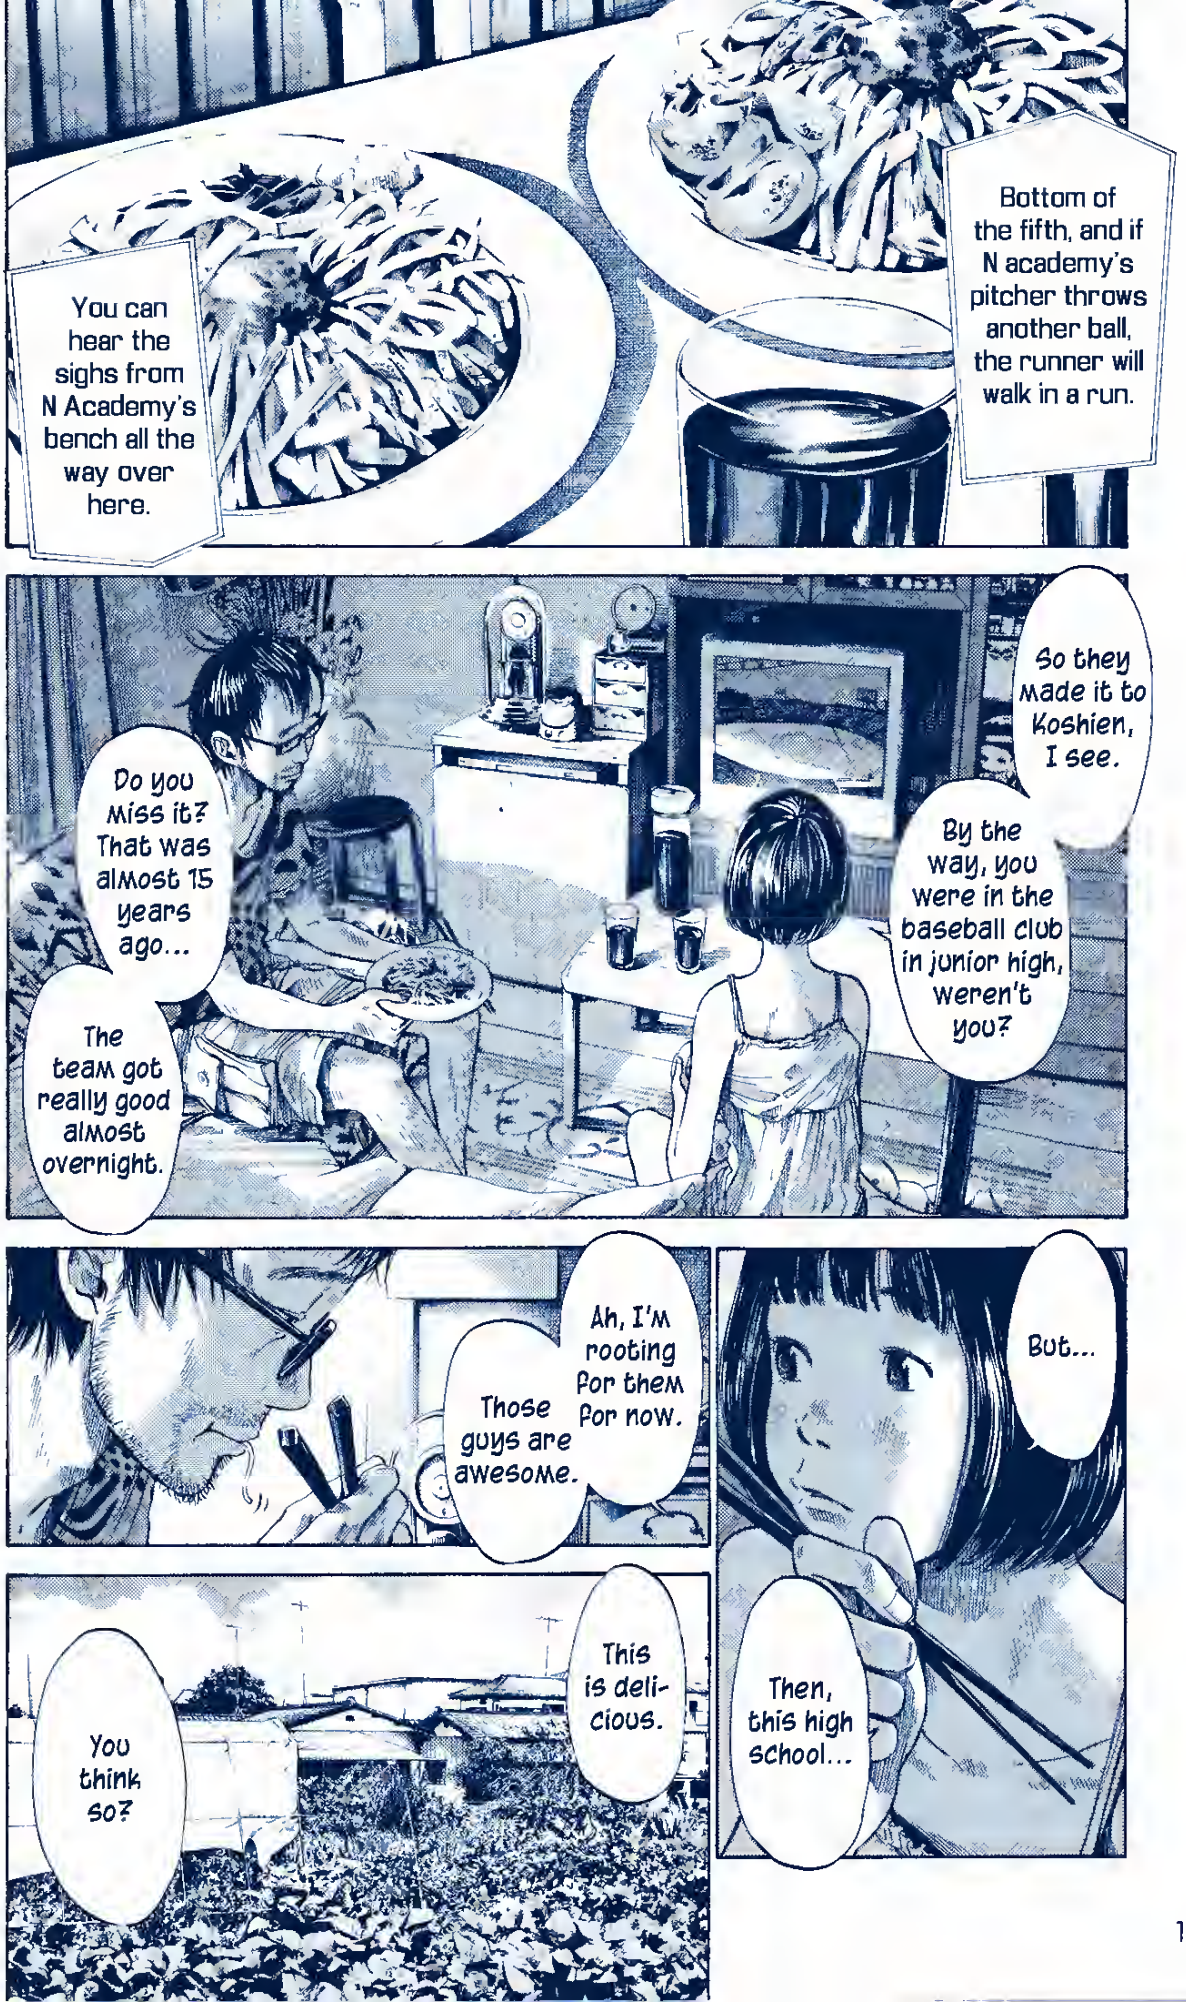


Excuse me.

Are you apologizing about not contacting me these last few years?
Oh, these vegetables are from our farm.
Mother told me to bring you some.
Do you cook for yourself?
Go ahead, but go straight home afterwards.



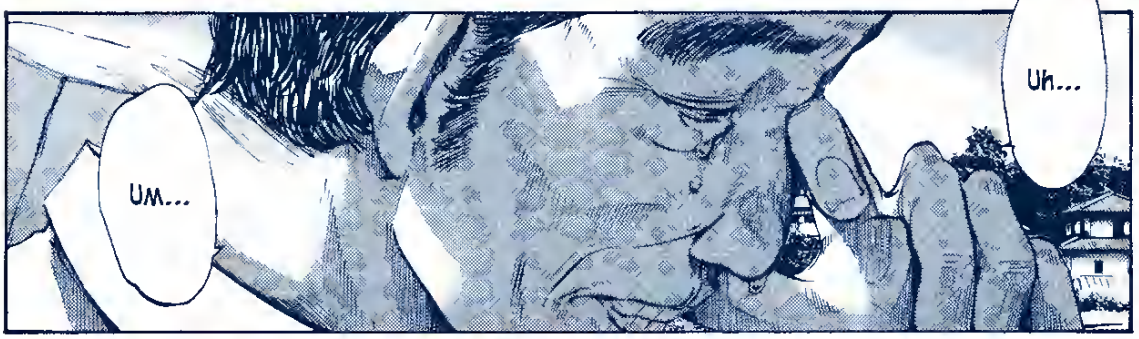
'Kay...
Has it already been six months?
Since the divorce, I mean.
Why do you ask?
I've heard rumors.
It's the juiciest gossip around here.
I was sure that you were working in Tokyo.
I resigned.
I was bored of the city, and I was given a healthy severance package.



You can hear the sighs from N Academy's bench all the way over here.
Bottom of the fifth, and if N academy's pitcher throws another ball, the runner will walk in a run.
So they made it to Koshien, I see.
By the way, you were in the baseball club in junior high, weren't you?
Do you miss it? That was almost 15 years ago...
The team got really good almost overnight.
Ah, I'm rooting for them for now.
Those guys are awesome.
But...
Then, this high school...
This is delicious.
You think so?

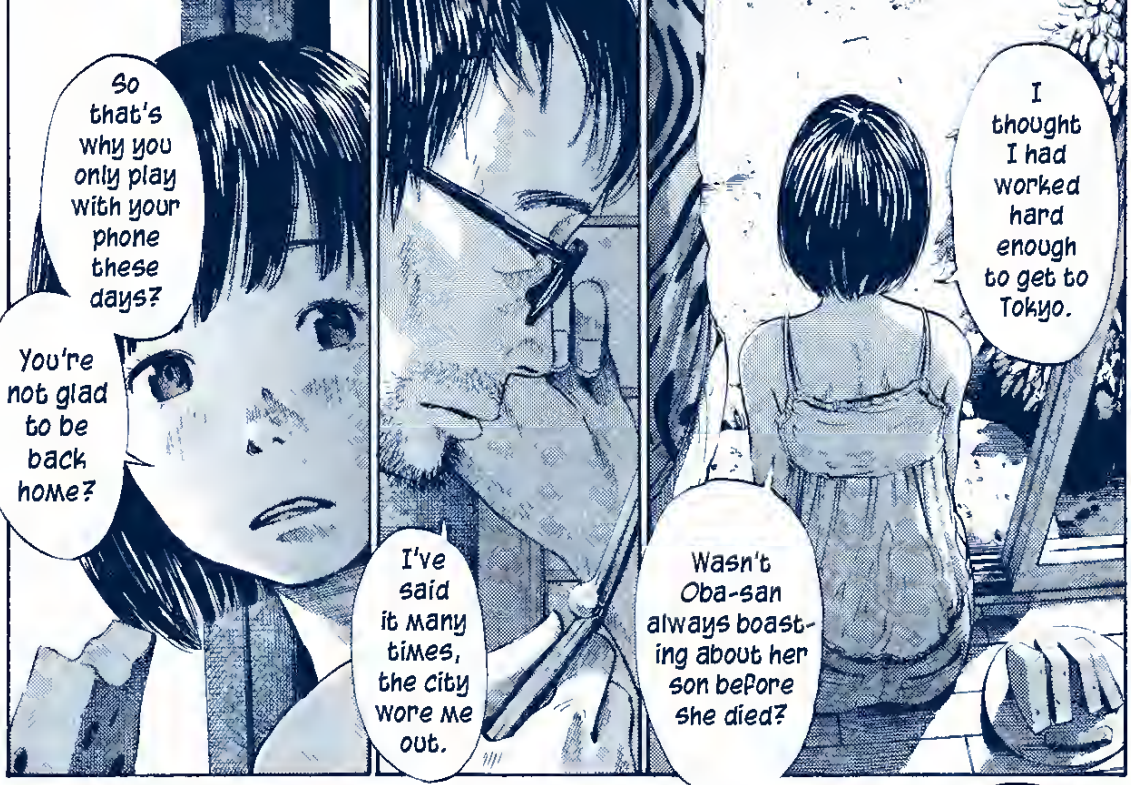
Hey...
Hold it...
Wait a minute!
D-
Did you just hear something over there?
It's just your imagination...
Can't we talk a bit more first?
I knew this would hurt...
I knew it...

We made it this far...
Walk like you mean it...
Come on...

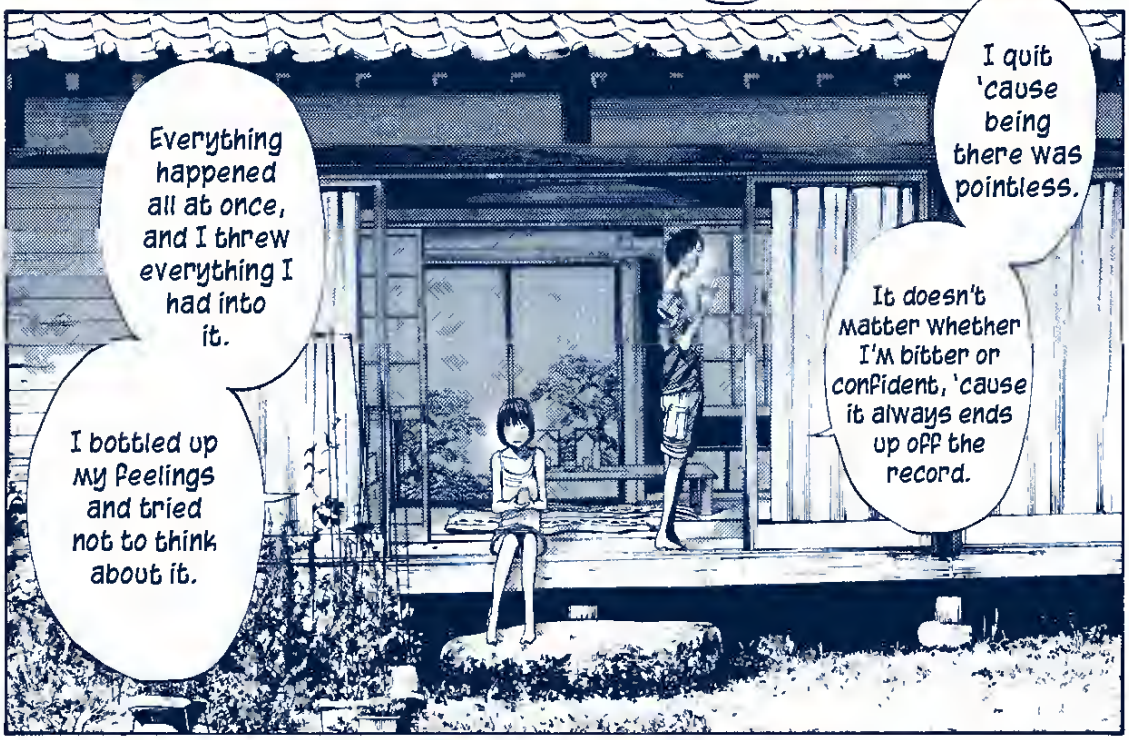


Um...
Uh...

You also decided to return here permanently, starting next month.
Who would've guessed.



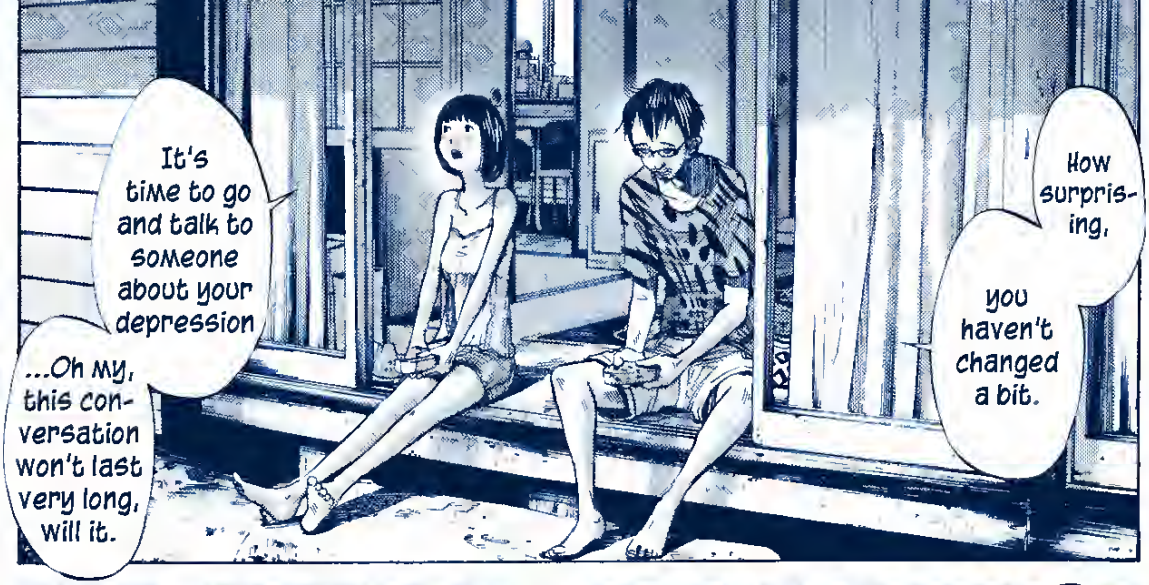
So that's why you only play with your phone these days?
You're not glad to be back home?
I've said it many times, the city wore me out.
Wasn't Oba-san always boasting about her son before she died?
I thought I had worked hard enough to get to Tokyo.



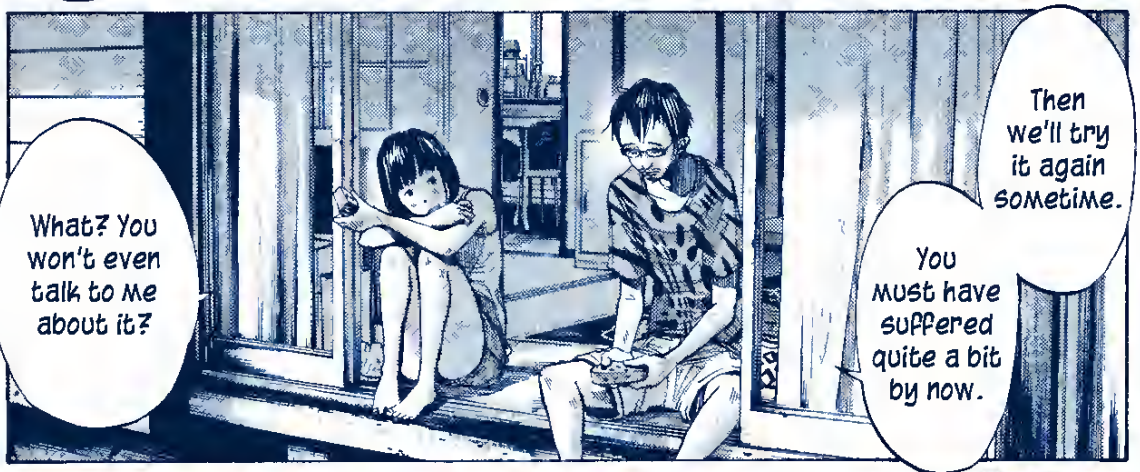
Everything happened all at once, and I threw everything I had into it.
I bottled up my feelings and tried not to think about it.
I quit 'cause being there was pointless.
It doesn't matter whether I'm bitter or confident, 'cause it always ends up off the record.

It's time to talk about the divorce, since we're never going to get that perfect relationship back.
Ah, Sorry, sorry. You even came all the way out here for me.

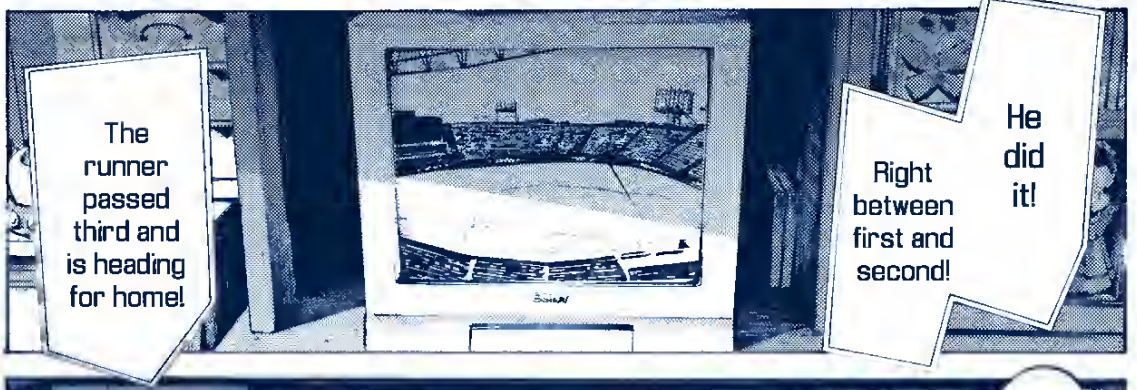
How do you feel about that?
I...,
I really don't know.
You're usually the first to talk about this sort of thing,
about miracles or daydreams.
So far, even though I've tried to fit in...at the end of the day, I'm a nobody.



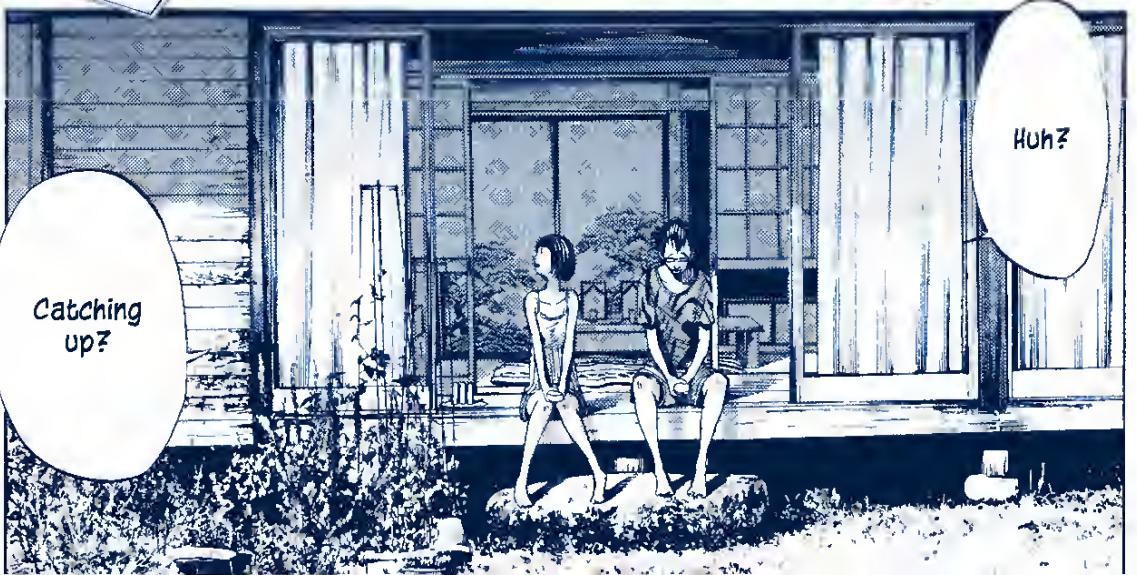
It's time to go and talk to someone about your depression
...Oh my, this conversation won't last very long, will it.
How surprising,
you haven't changed a bit.



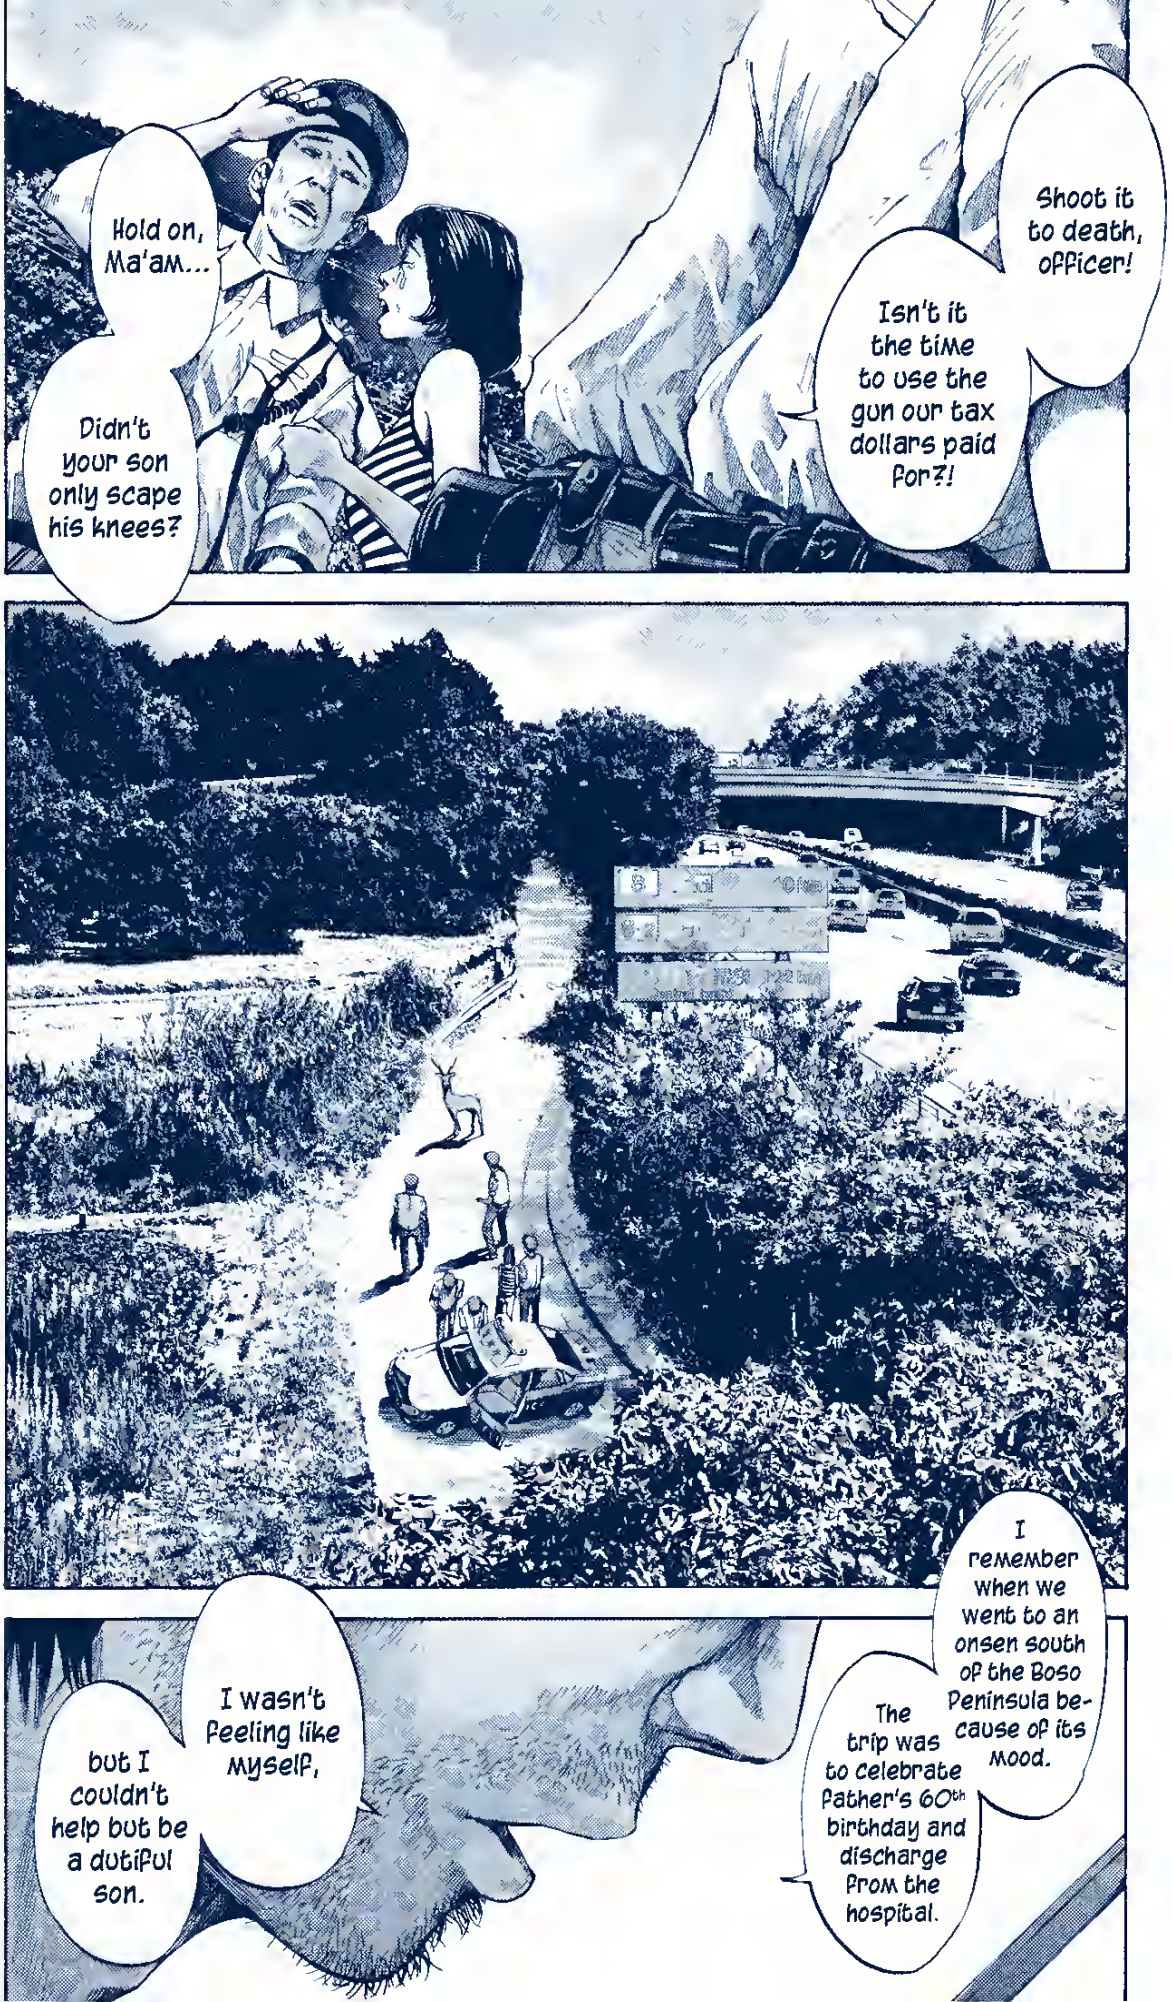
What? You won't even talk to me about it?
You must have suffered quite a bit by now.
Then we'll try it again sometime.



The runner passed third and is heading for home!
Right between first and second!
He did it!

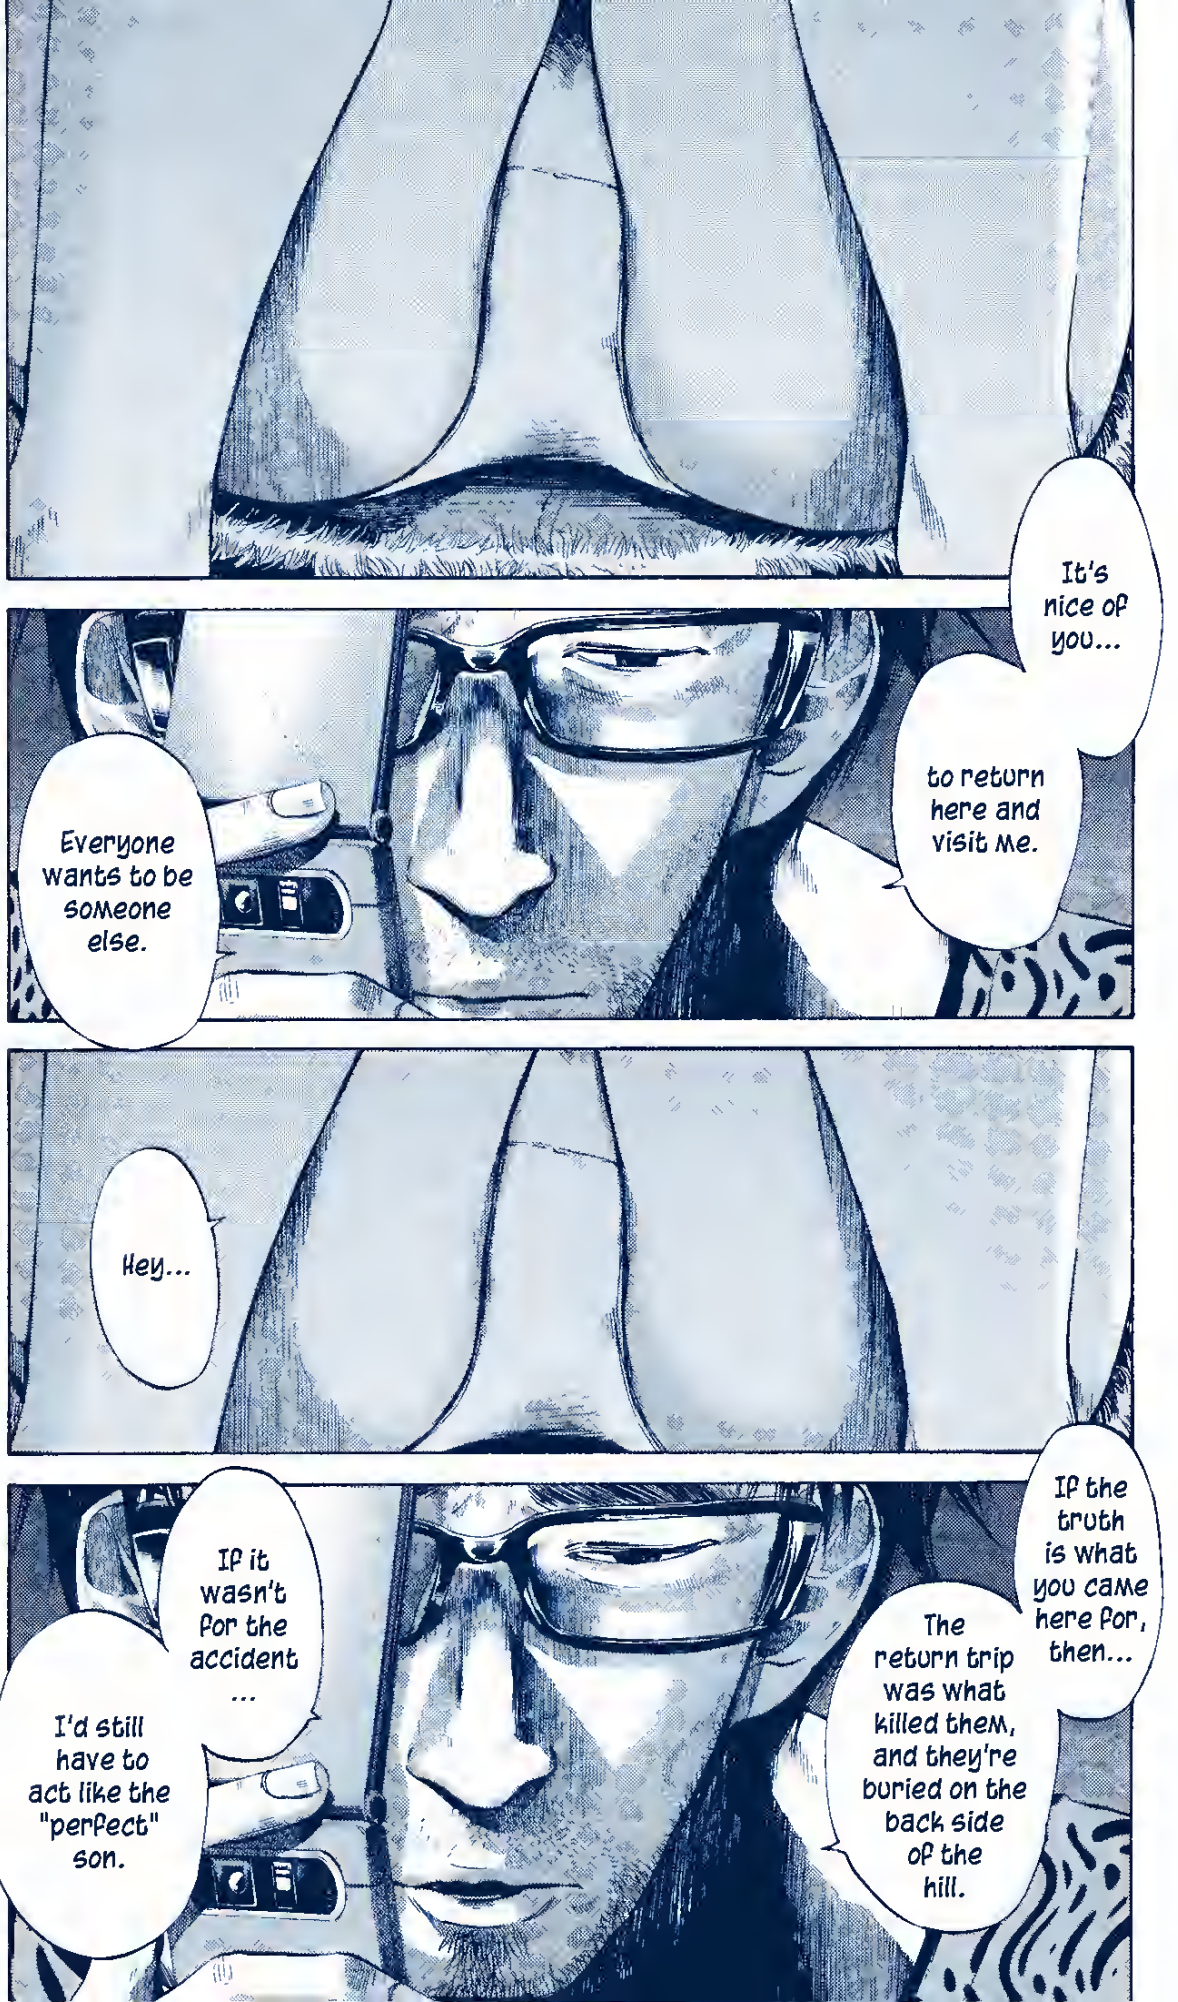


Catching up?
Huh?



Hold on, Ma'am...
Didn't your son only scape his knees?
Isn't it the time to use the gun our tax dollars paid for?!
Shoot it to death, officer!
I remember when we went to an onsen south of the Boso Peninsula because of its mood.
The trip was to celebrate father's 60th birthday and discharge from the hospital.
I wasn't feeling like myself,
but I couldn't help but be a dutiful son.

My relatives believe that their model son can't ever be allowed to play around. That's common sense to them.
As a child, didn't you have to ignore how harsh people can be?
Good people? What would an outsider know?
Both Oji-san and Obaa-san are good people, so they'll go to heaven.
That's for sure...
People aren't who they seem to be...
What are you doing? Chatting on your phone?
You're just a loner...
You'll never convince anyone like that.
If that's how you see the person before you...



It's nice of you...
to return here and visit me.
Everyone wants to be someone else.
Hey...
If the truth is what you came here for, then...
The return trip was what killed them, and they're buried on the back side of the hill.
If it wasn't for the accident ...
I'd still have to act like the "perfect" son.

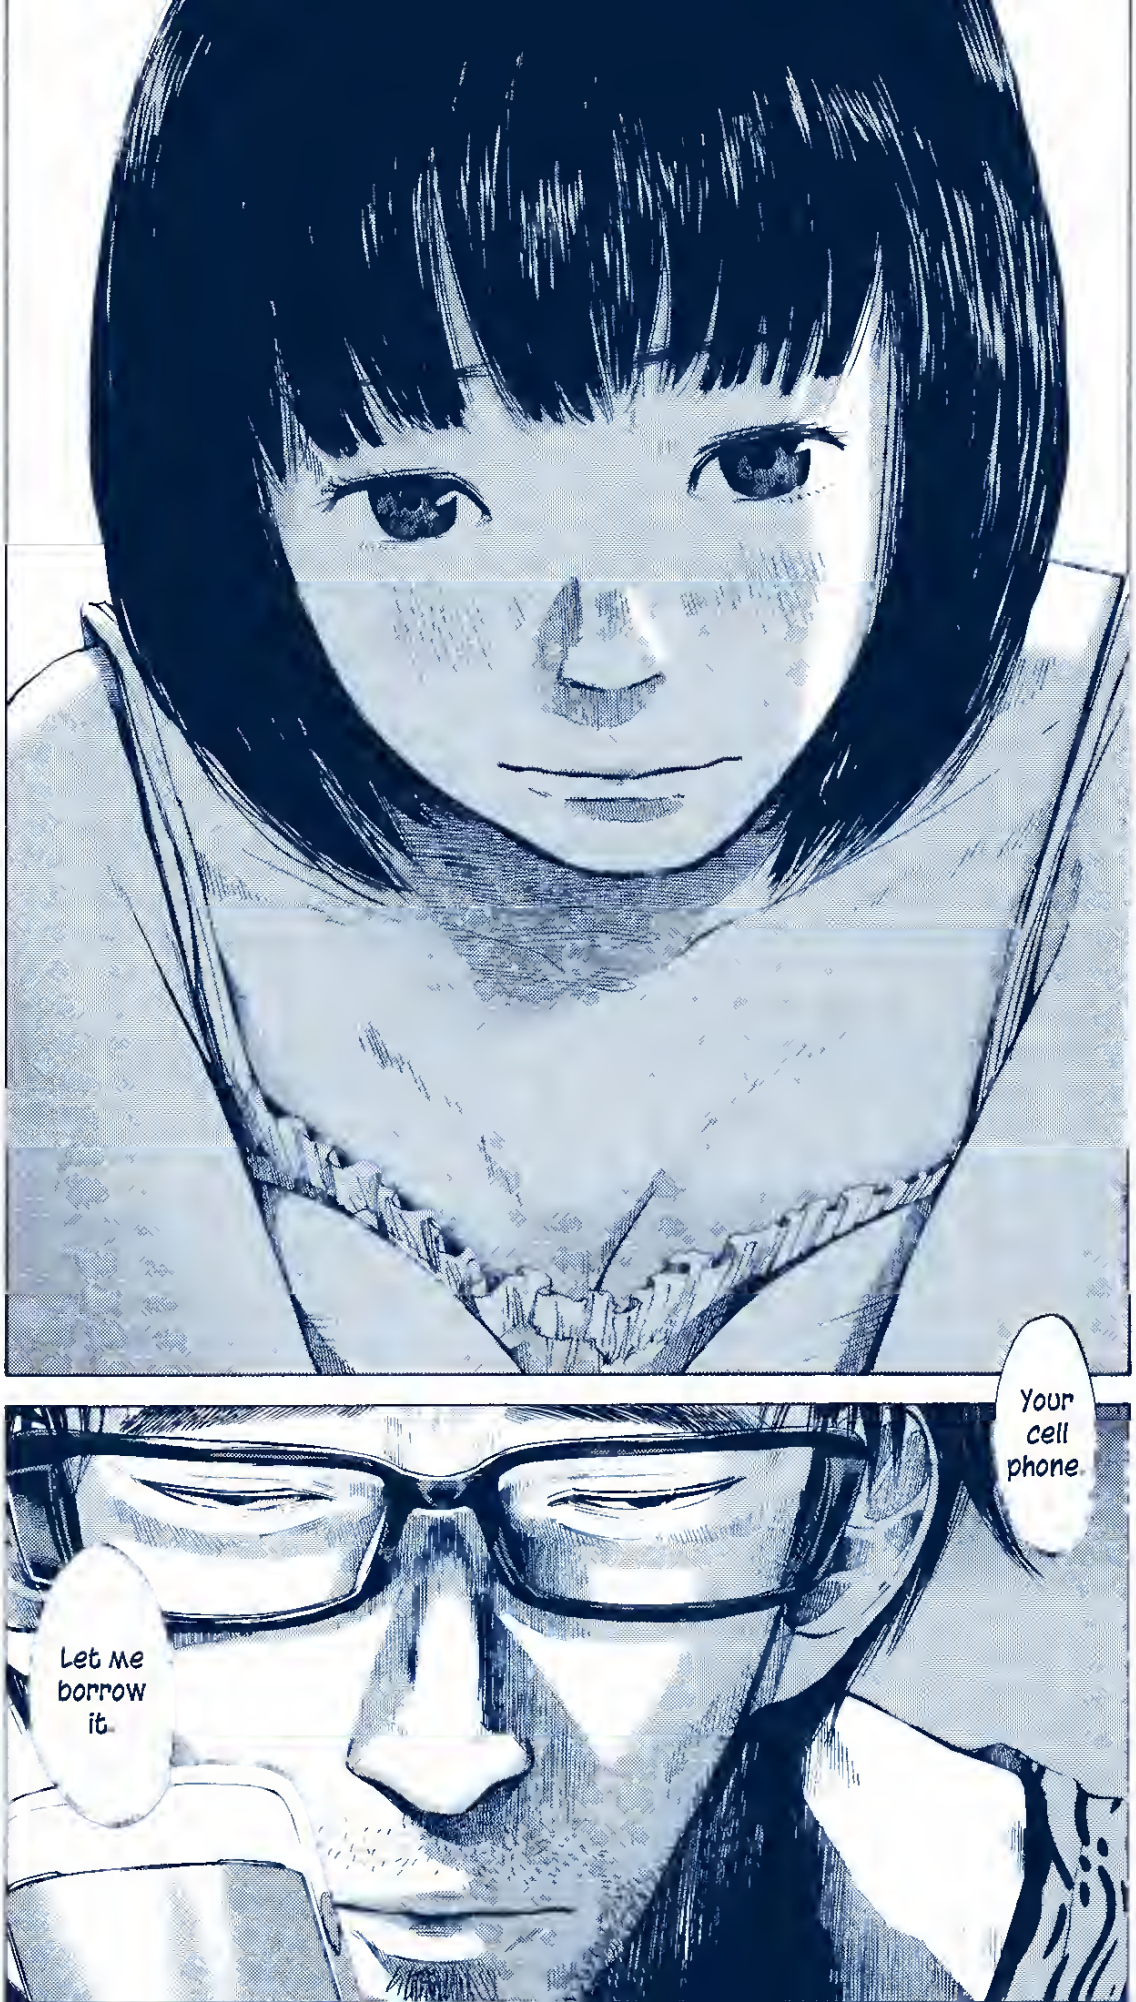
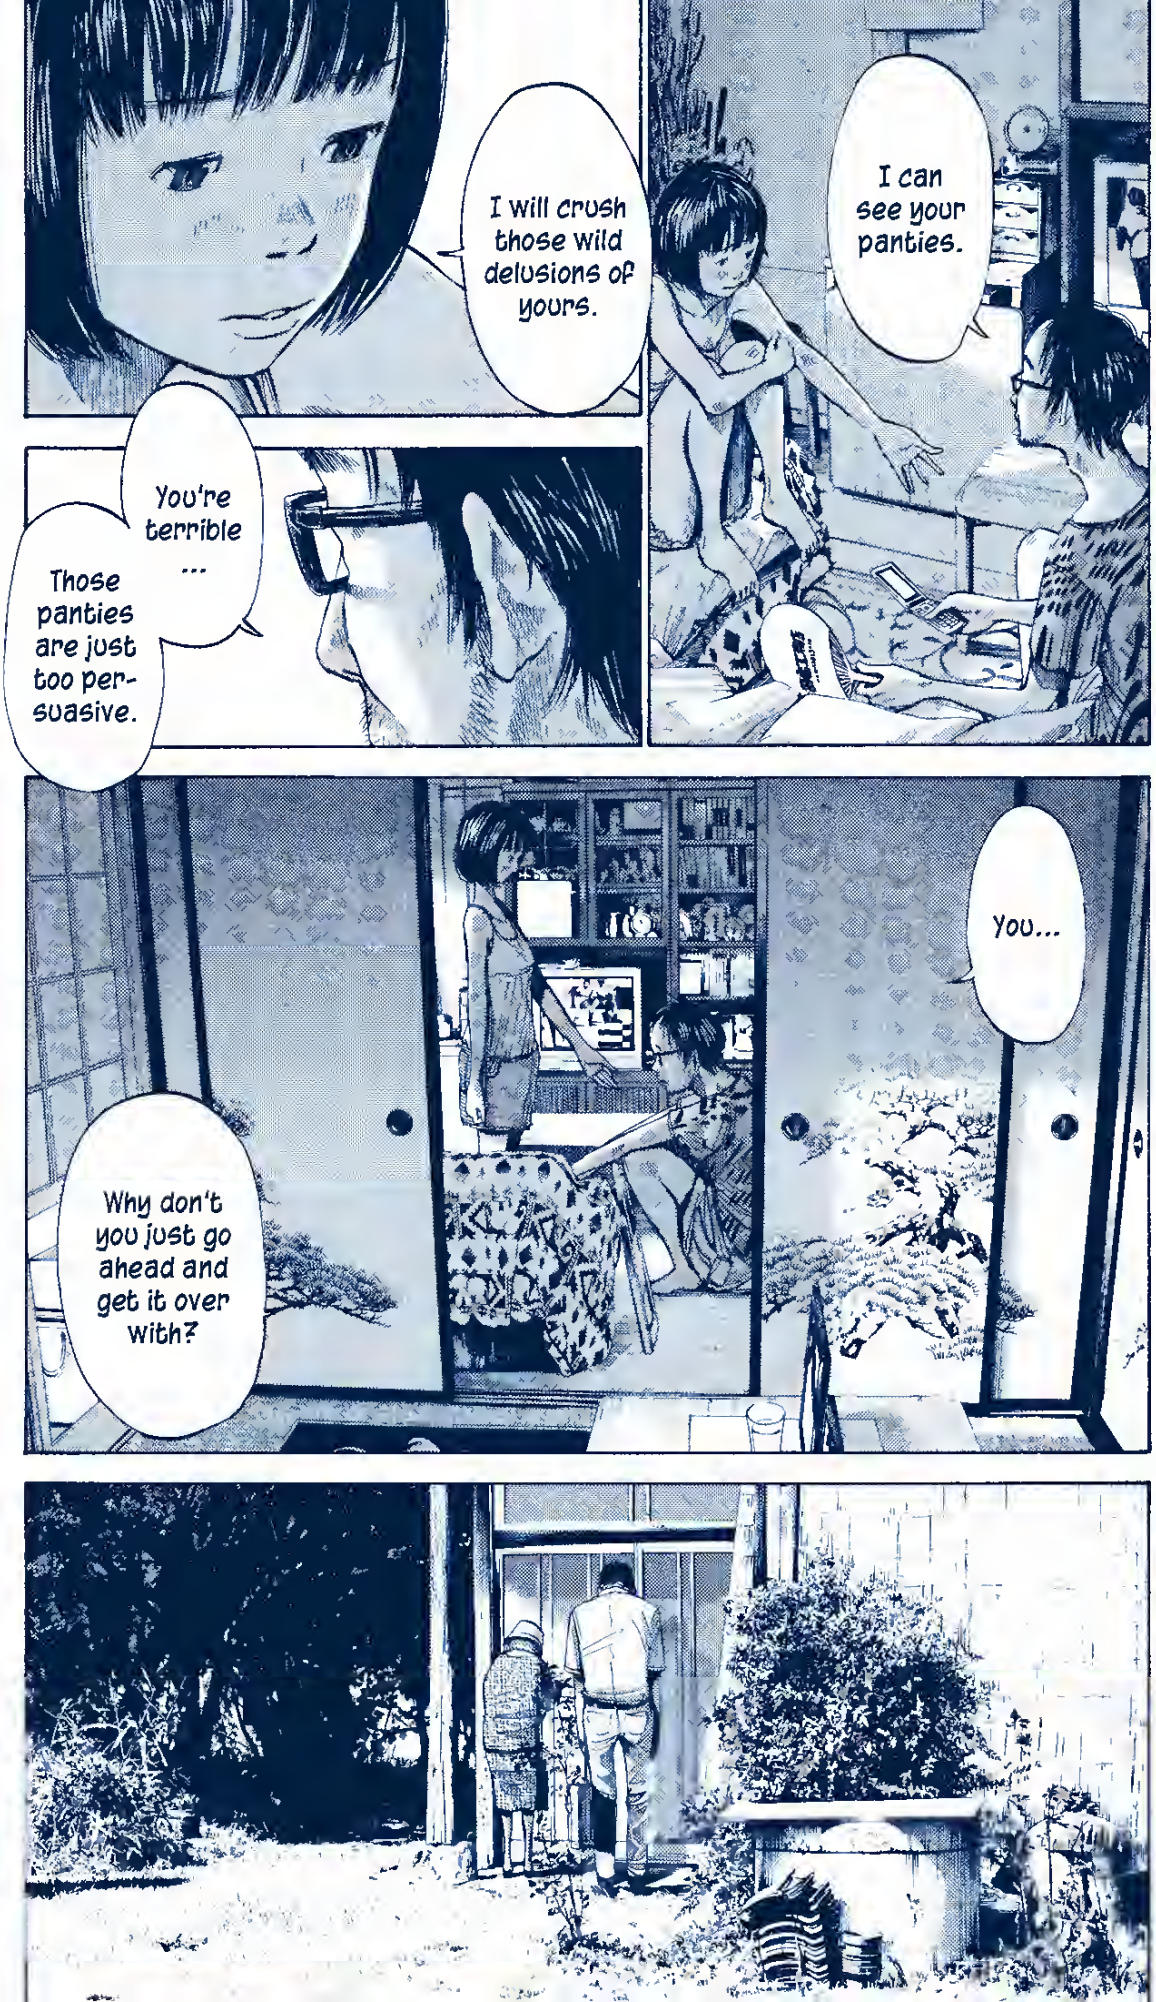
Even if the kids weren't directly blamed for what happened, no one's come out and condemned them. People must have assumed it was a lover's suicide.
In that year, my mood was treated carefully,
but then my social skills were mocked behind my back.
It was so exhausting...
always having to tell them where I was and who I was with.
Here...
Come here...
But even after all that,
I still care about everyone's opinion of me.
No one word can describe this. I'm thinking of finding a place to write it all down.



Your cell phone.
Let me borrow it.

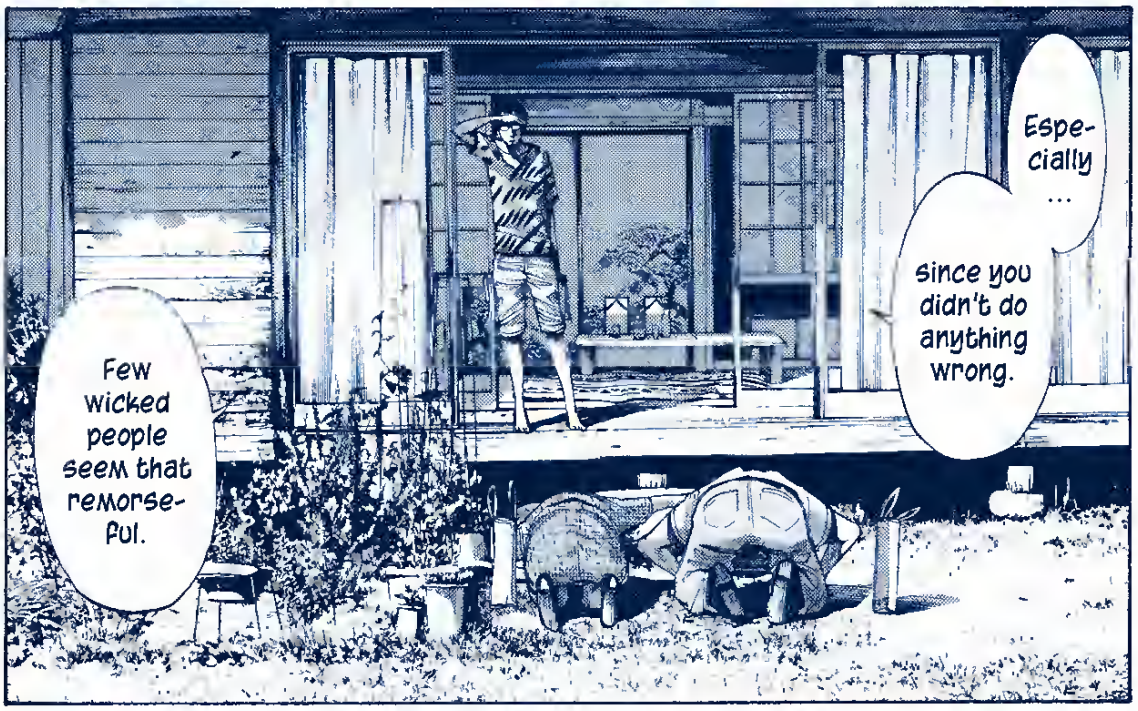


I will crush those wild delusions of yours.
I can see your panties.
You're terrible ...
Those panties are just too persuasive.
You...
Why don't you just go ahead and get it over with?

Please, son, about that incident ...
please accept our sincere apologies ...
That was completely ...
and totally inexcusable...

You're bothering me simply by being here.
Even with the house arrest over early, why would I invite you here.

I'm really...
sorry...
About that...



Few wicked people seem that remorse-ful.
since you didn't do anything wrong.
Espe-cially ...

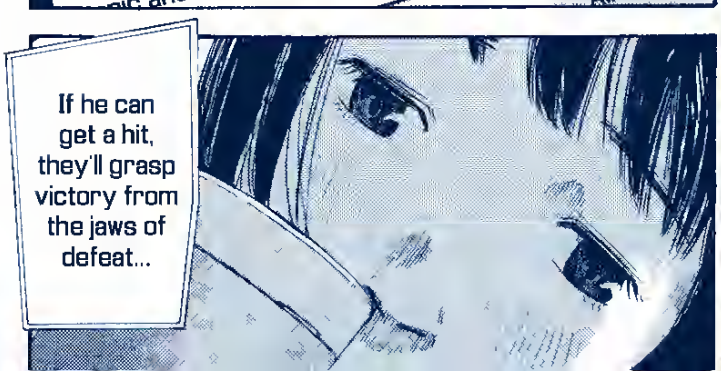
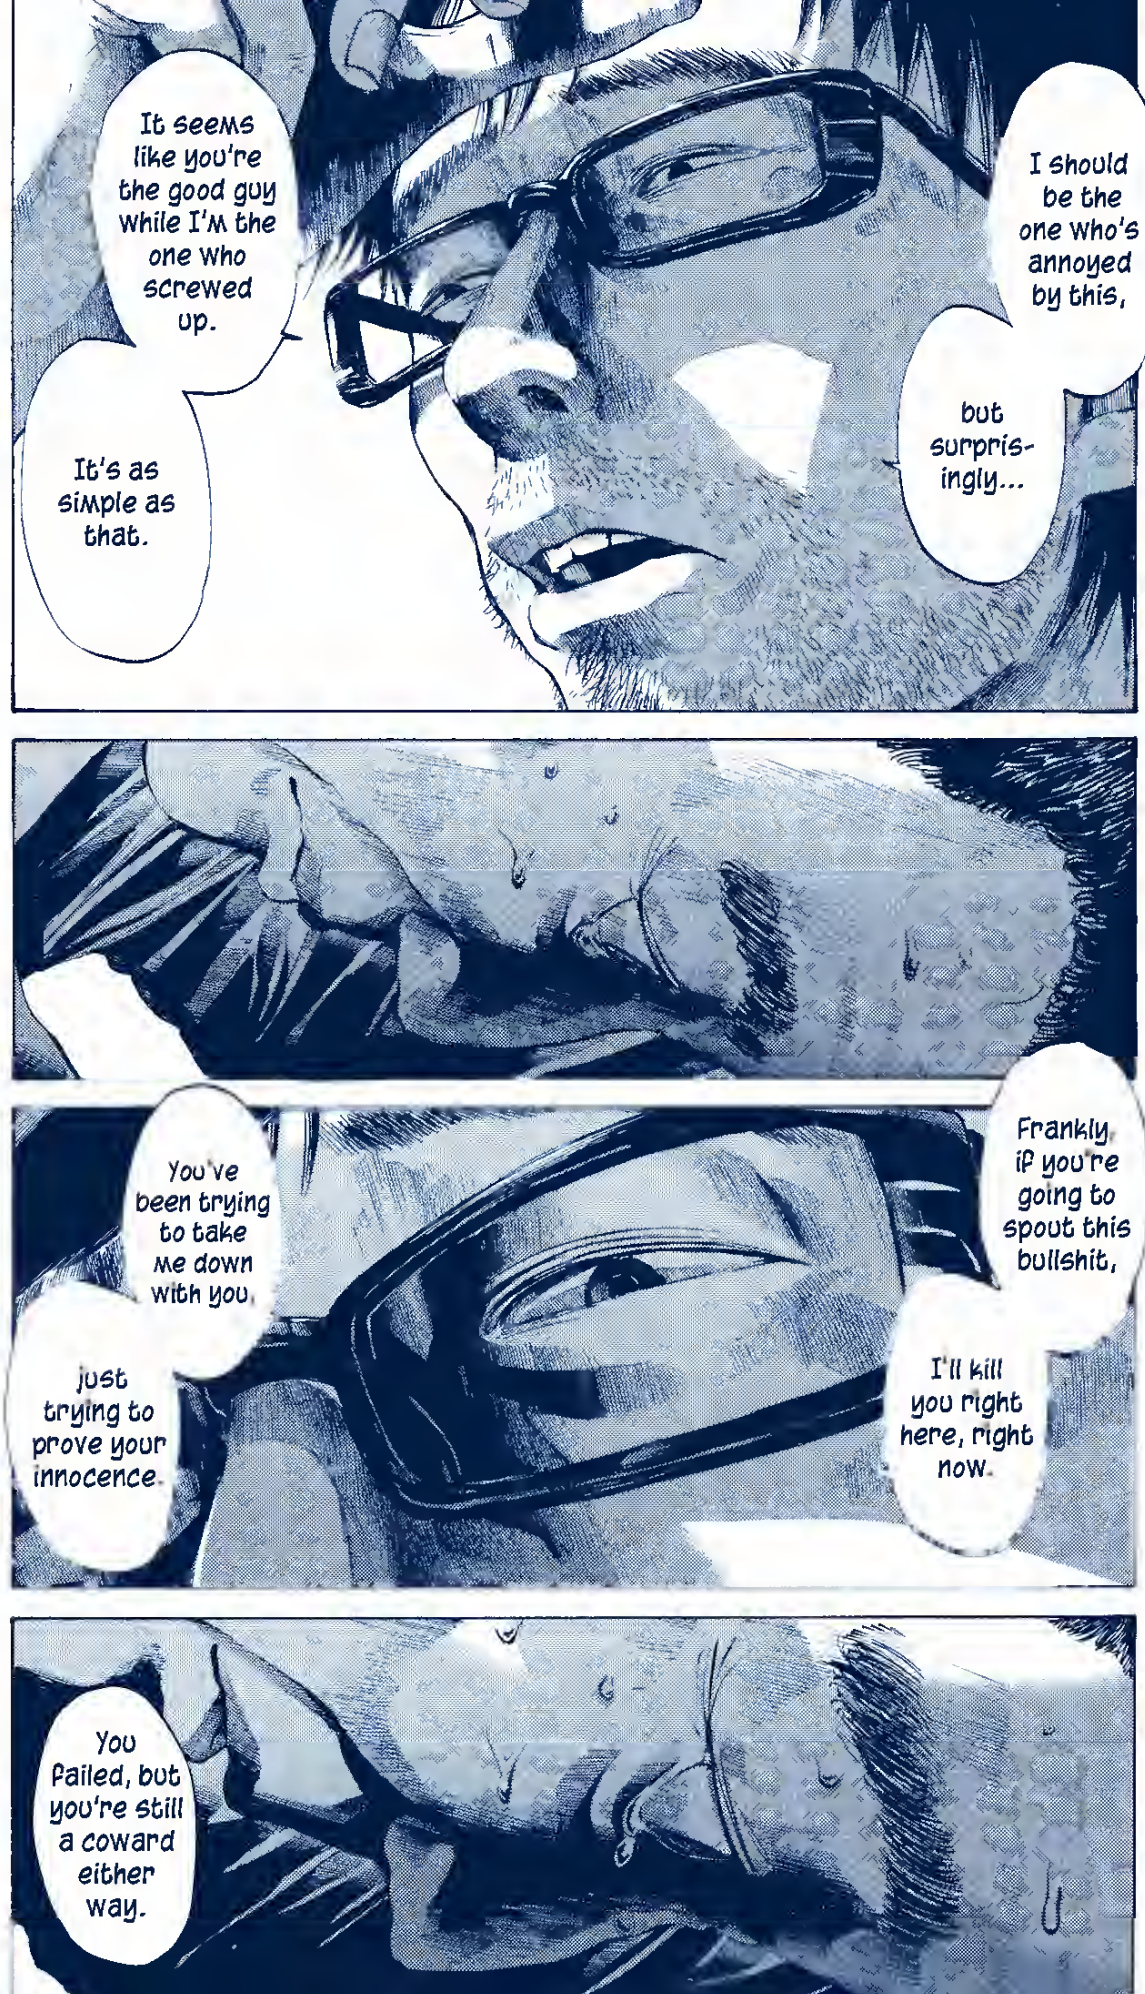
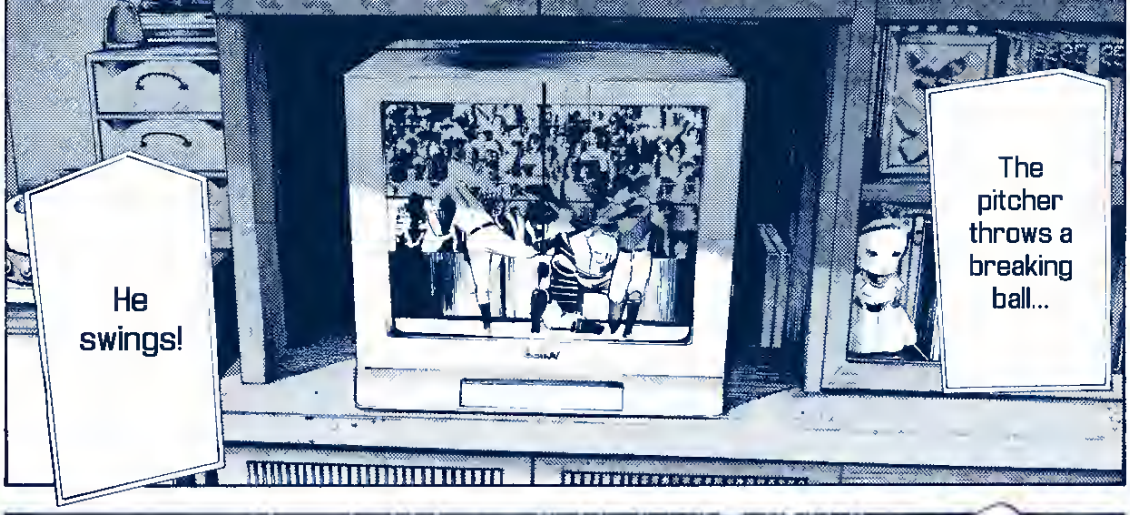
It's the last chance for batter XX-kun from N Academy in the bottom of the ninth! Runners on second and third



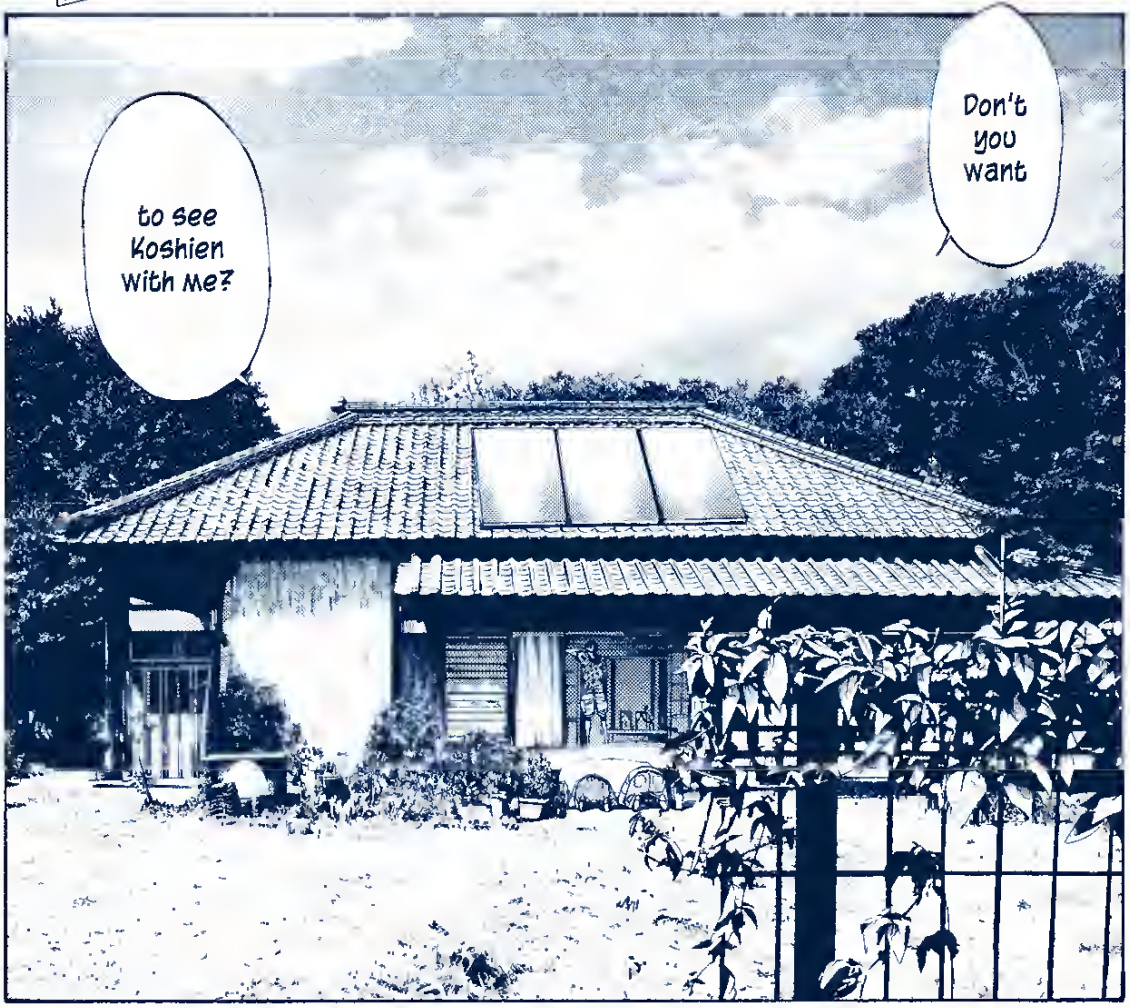
If he can get a hit, they'll grasp victory from the jaws of defeat...



It seems like you're the good guy while I'M the one who screwed up.
It's as simple as that.
I should be the one who's annoyed by this,
but surprisingly...
You've been trying to take me down with you,
just trying to prove your innocence.
Frankly, if you're going to spout this bullshit,
I'll kill you right here, right now.
You failed, but you're still a coward either way.

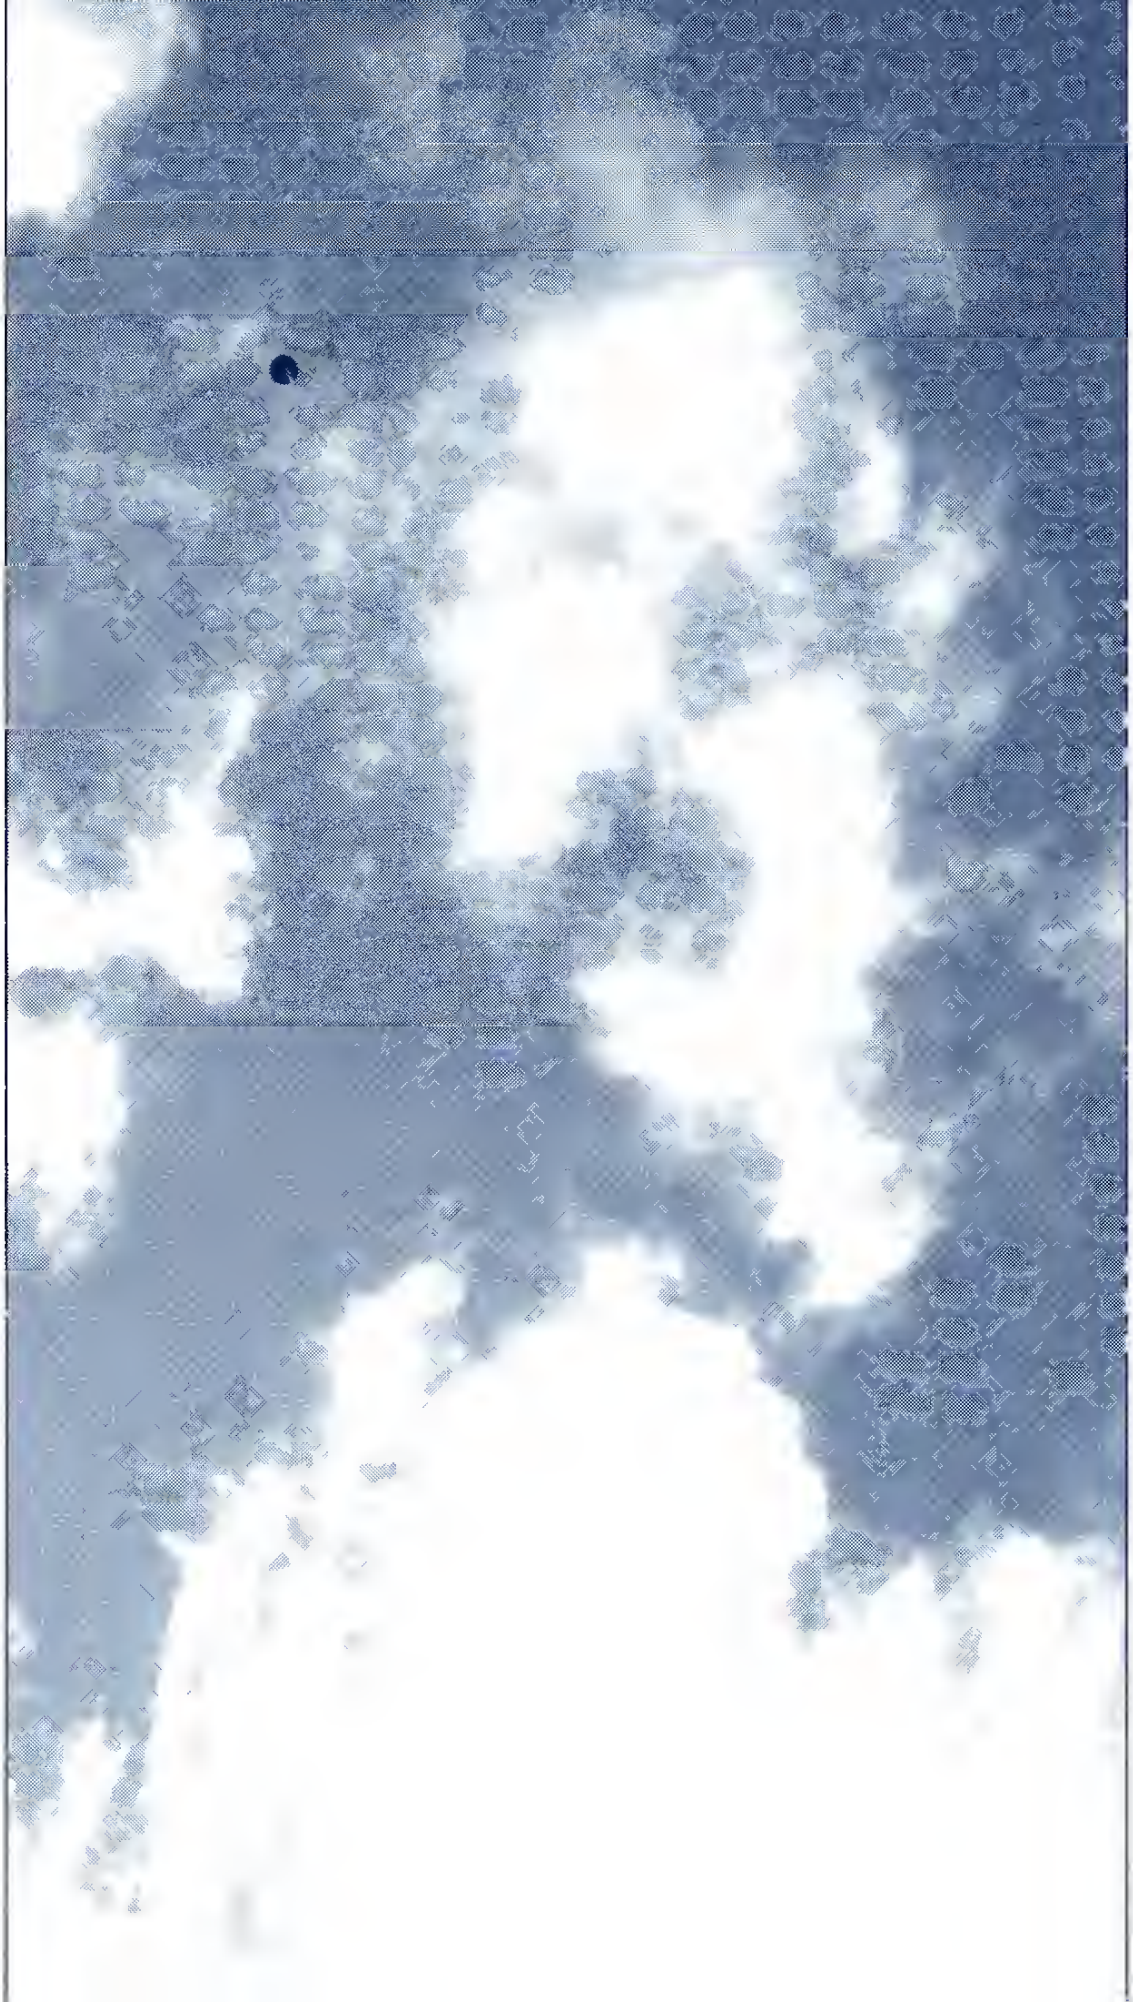


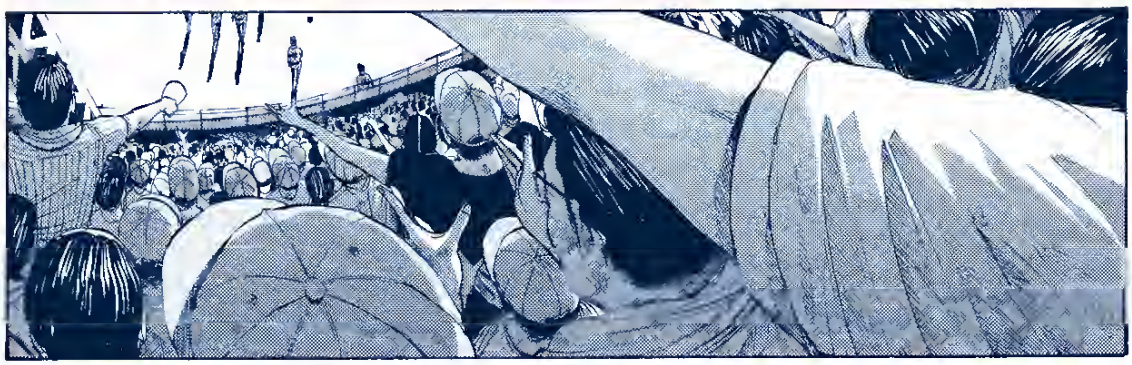
He swings!
The pitcher throws a breaking ball...

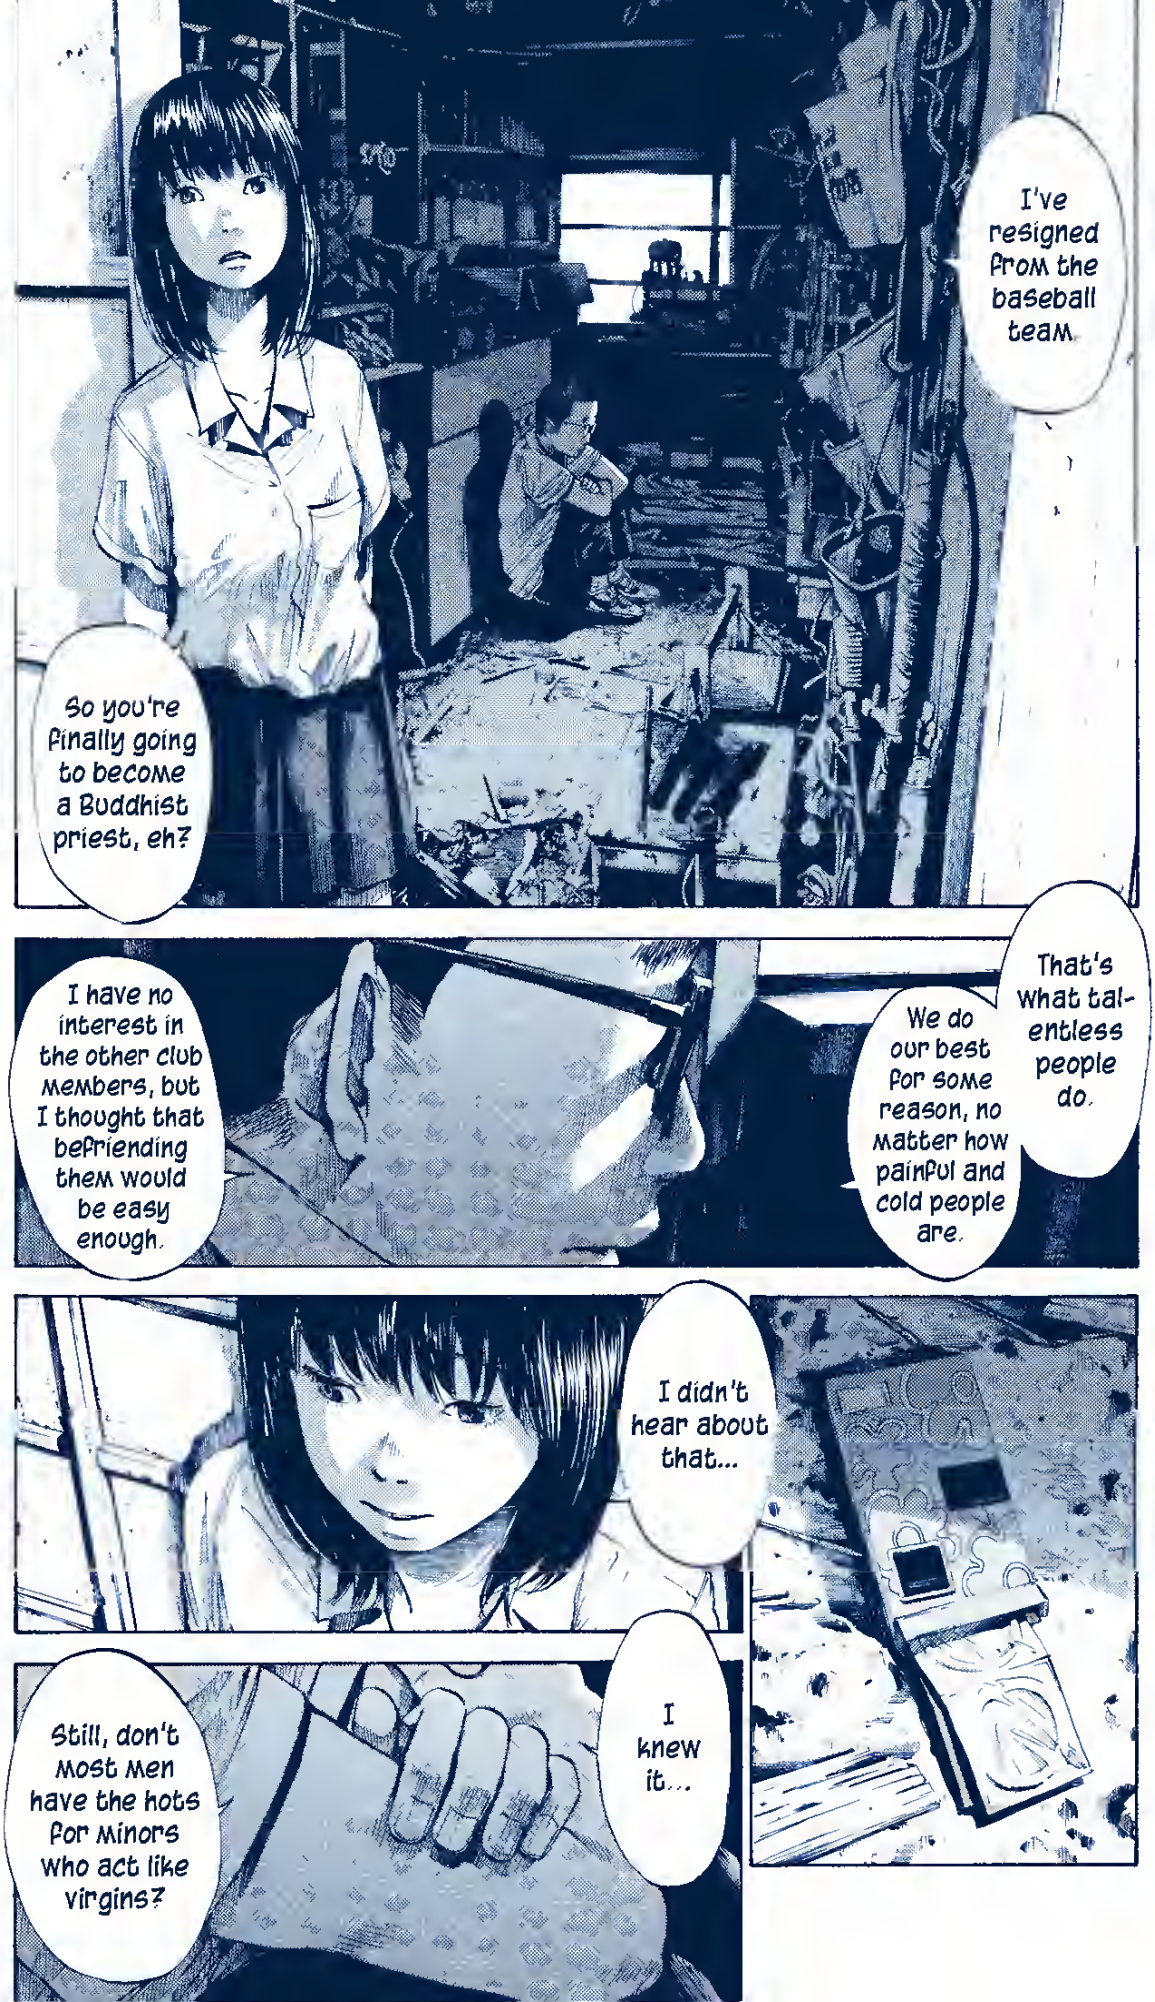


to see Koshien with me?
Don't you want

Ah.





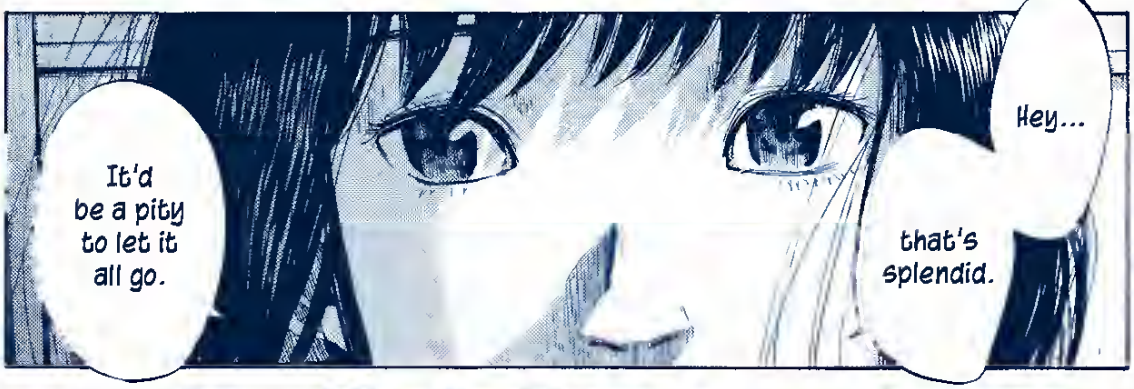


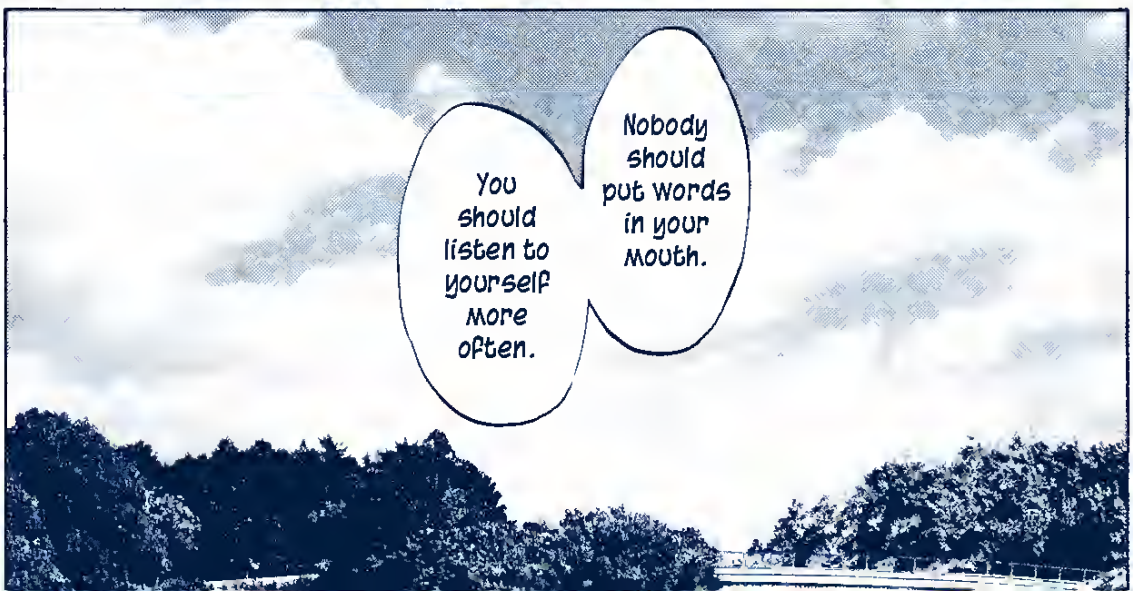
I've resigned from the baseball team.
So you're finally going to become a Buddhist priest, eh?
That's what talentless people do.
We do our best for some reason, no matter how painful and cold people are.
I have no interest in the other club members, but I thought that befriending them would be easy enough.
I didn't hear about that...
I knew it...
Still, don't most men have the hots for minors who act like virgins?

A man's role is to dance to the rhythm of life's song, befriending all.
They both see it as an accomplishment.
But I don't drink or smoke. I don't even have any real interest in sex.
Somehow, having that twisted lust is the only way to be normal.*

*T/N NOTE: ...IN JAPAN

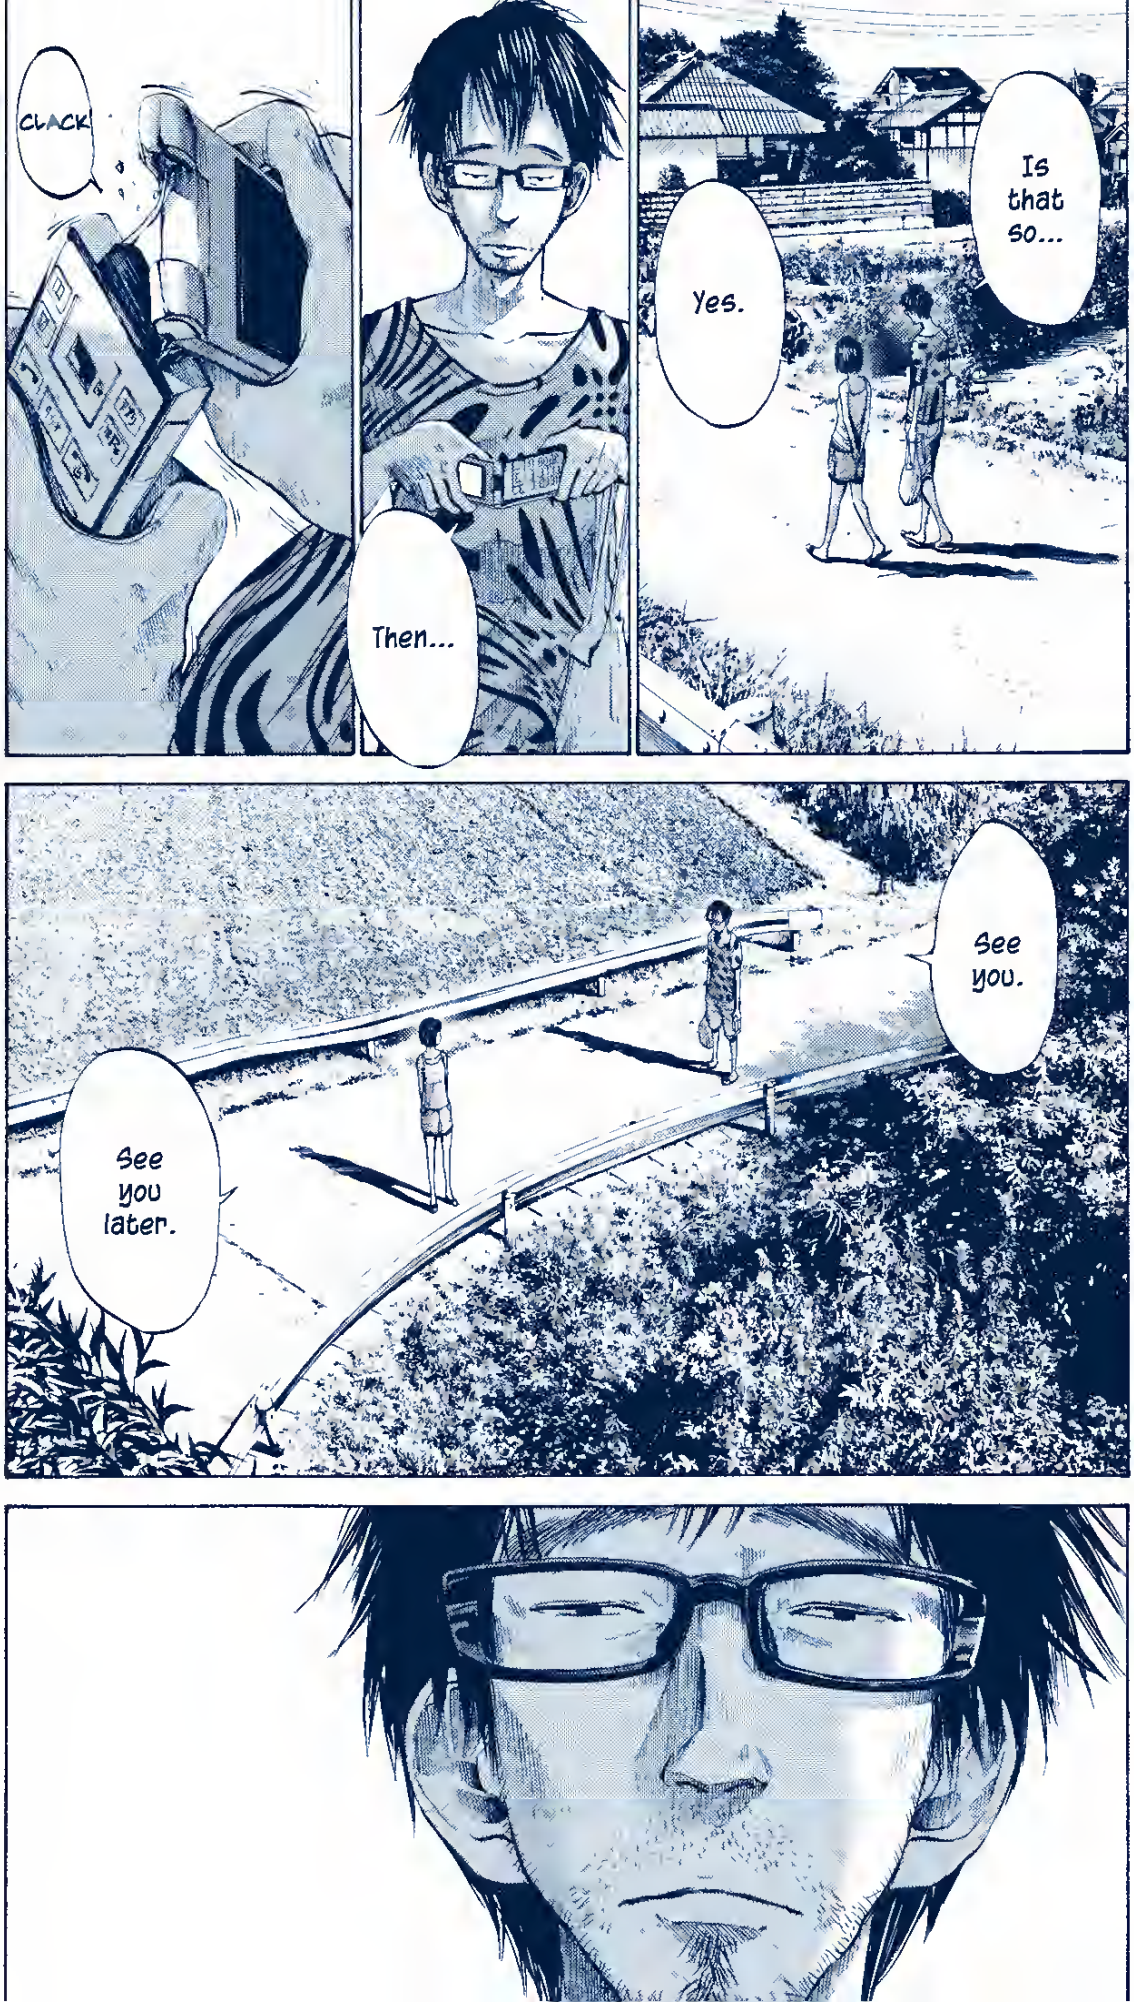
But a man is supposed to prioritize his happiness over all else.
Because I have no political or economic ambitions, I can only envision a life of poverty.





Can I...
see you again?

See me?
Whenever you want to.
Just come over to my place.



CLACK
Then...
Yes.
Is that so...
See you later.
See you.

I don't think so.
